# MATCHING GAME

## DIRECTIONS:

work as a team at the table to match the % cards with the statistic statements at your table.

**5 minutes to work**

Answers will be provided throughout the presentation

# Doña Ana County Kindergarten-Career Coalition Goals:

- 1 Children Succeed Academically in Healthy Schools
- 2 Equitable Access and Success in Higher Education and Careers

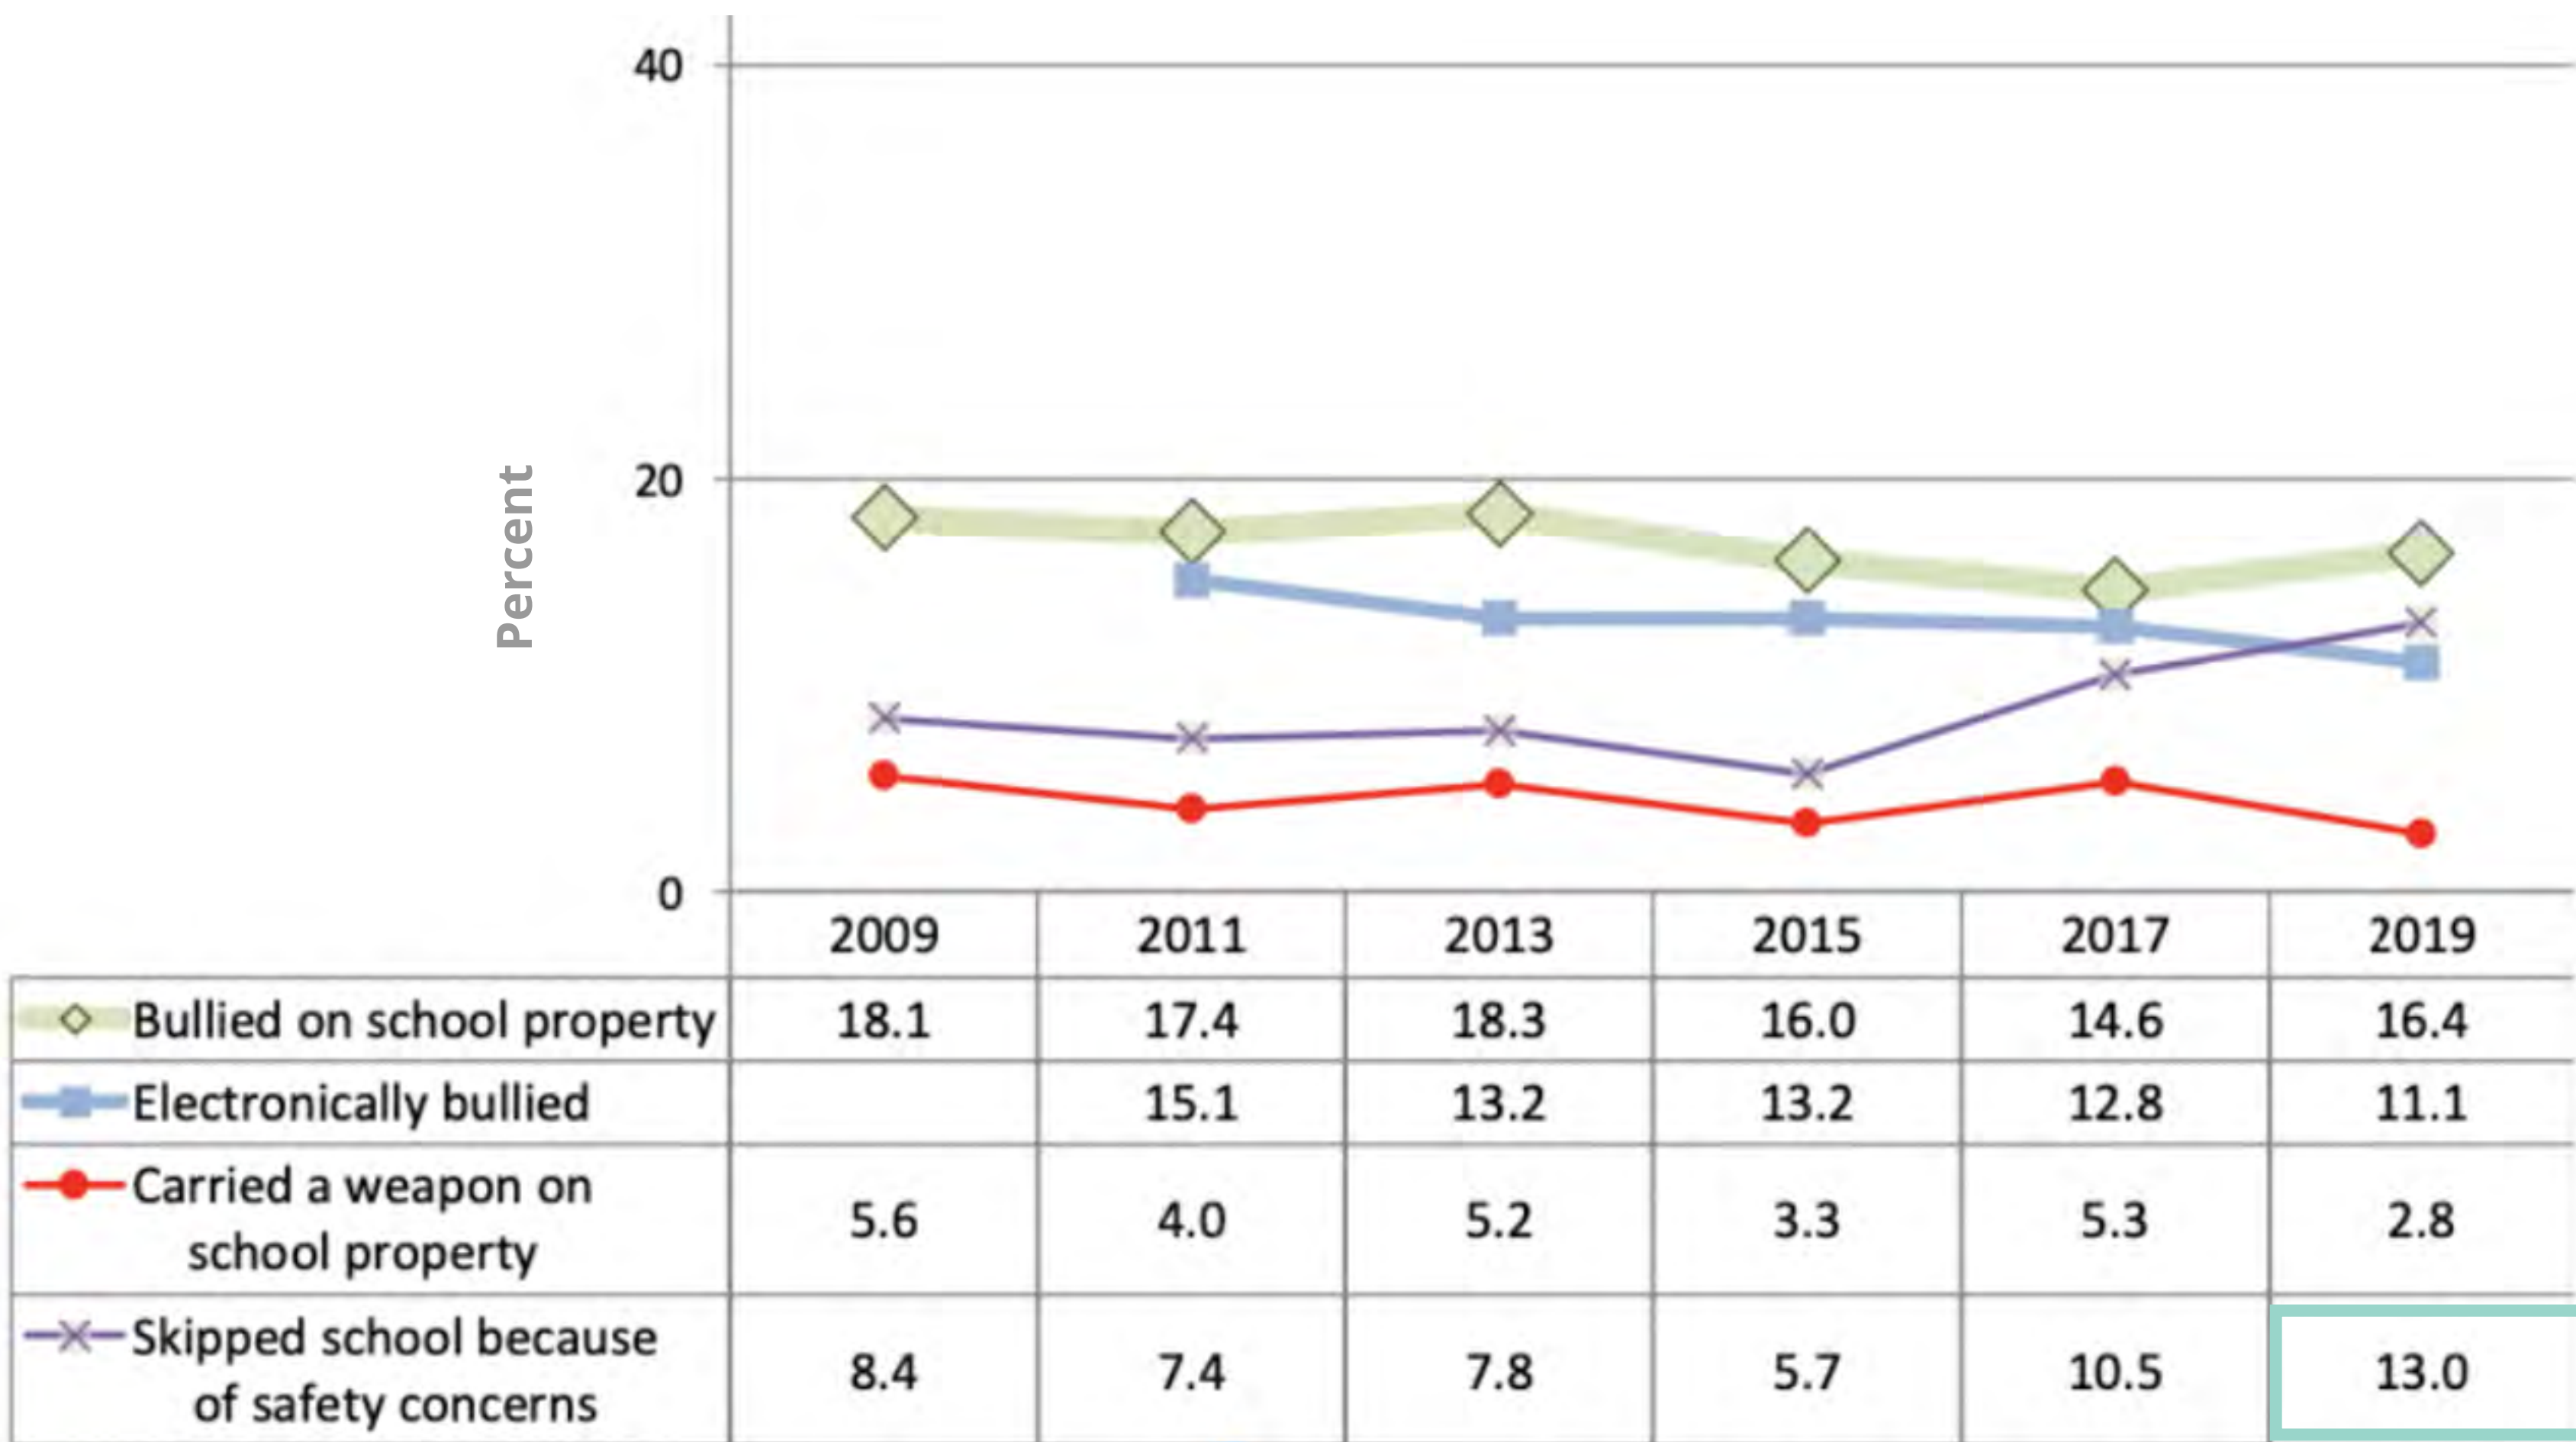

**Goal 1A:**

Healthy Schools

# Bullying and School Violence

Bullying and School Violence by Year, Doña Ana County Grades 9-12, 2009-2019

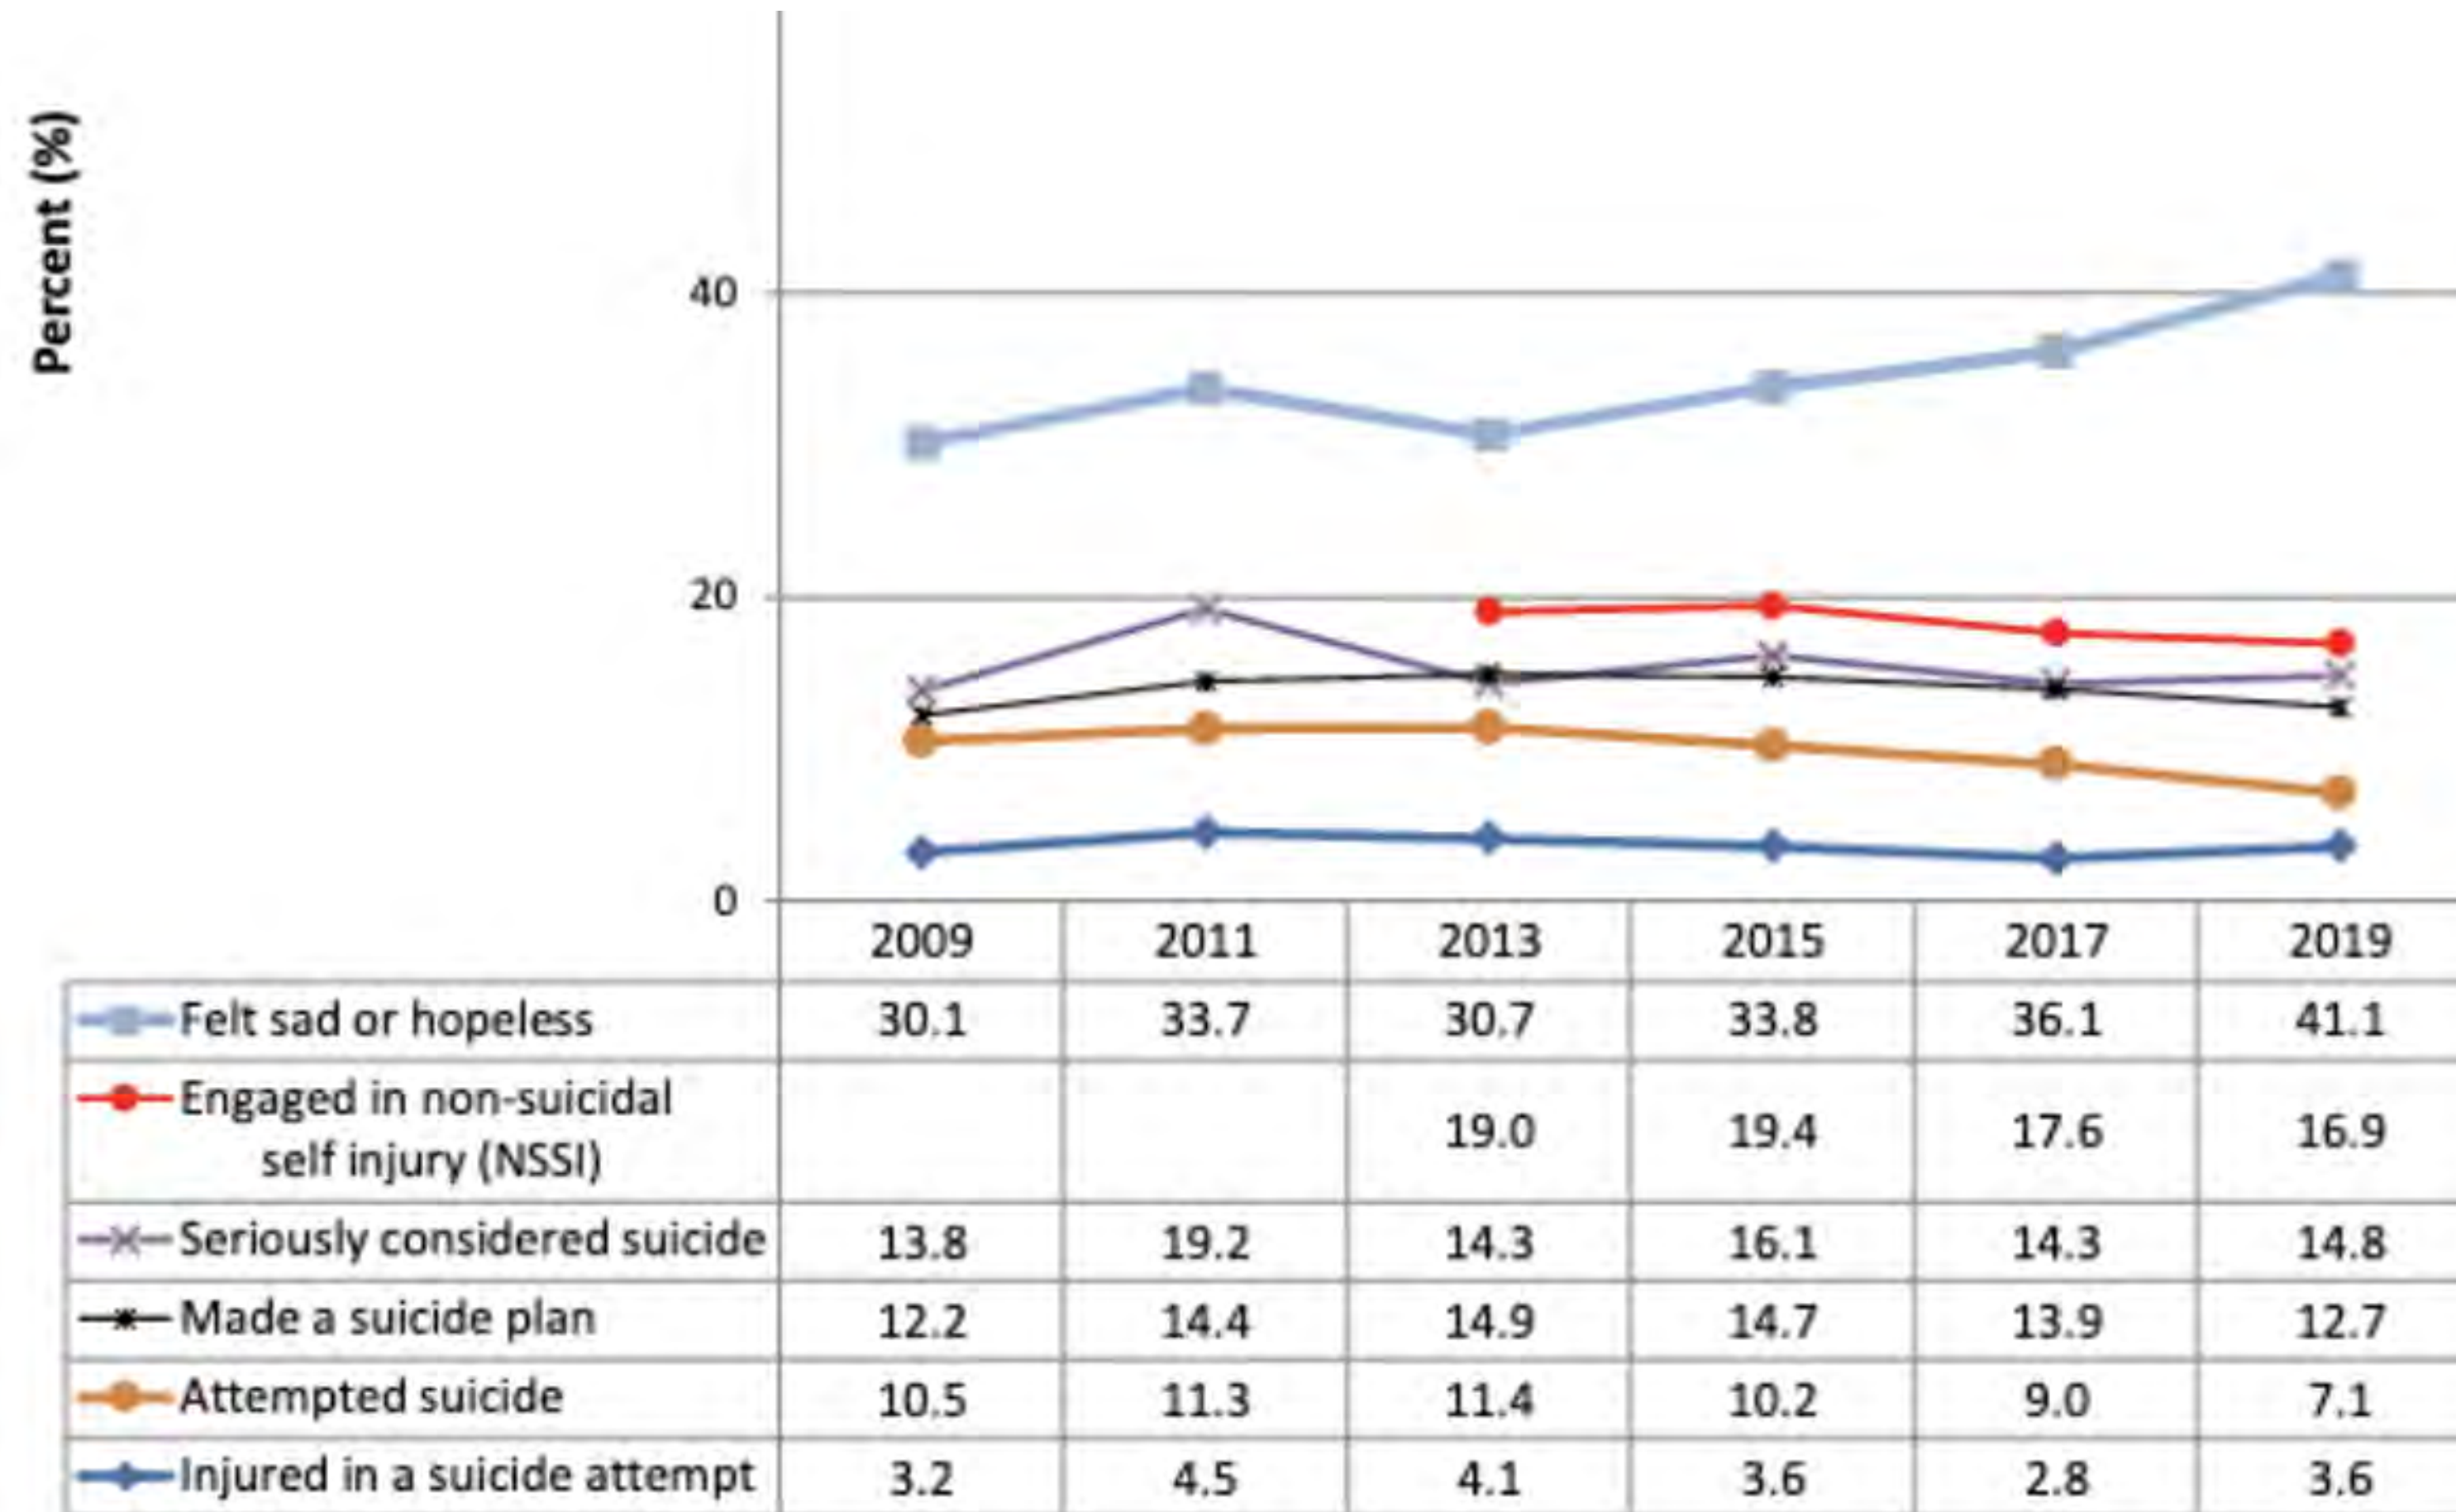

Quiz Answer

Source: Doña Ana Youth Risk and Resiliency Survey (YRRS) 2019.

# Mental Health in the Schools

Mental Health by Year, Doña Ana County Grades 9-12, 2009-2019

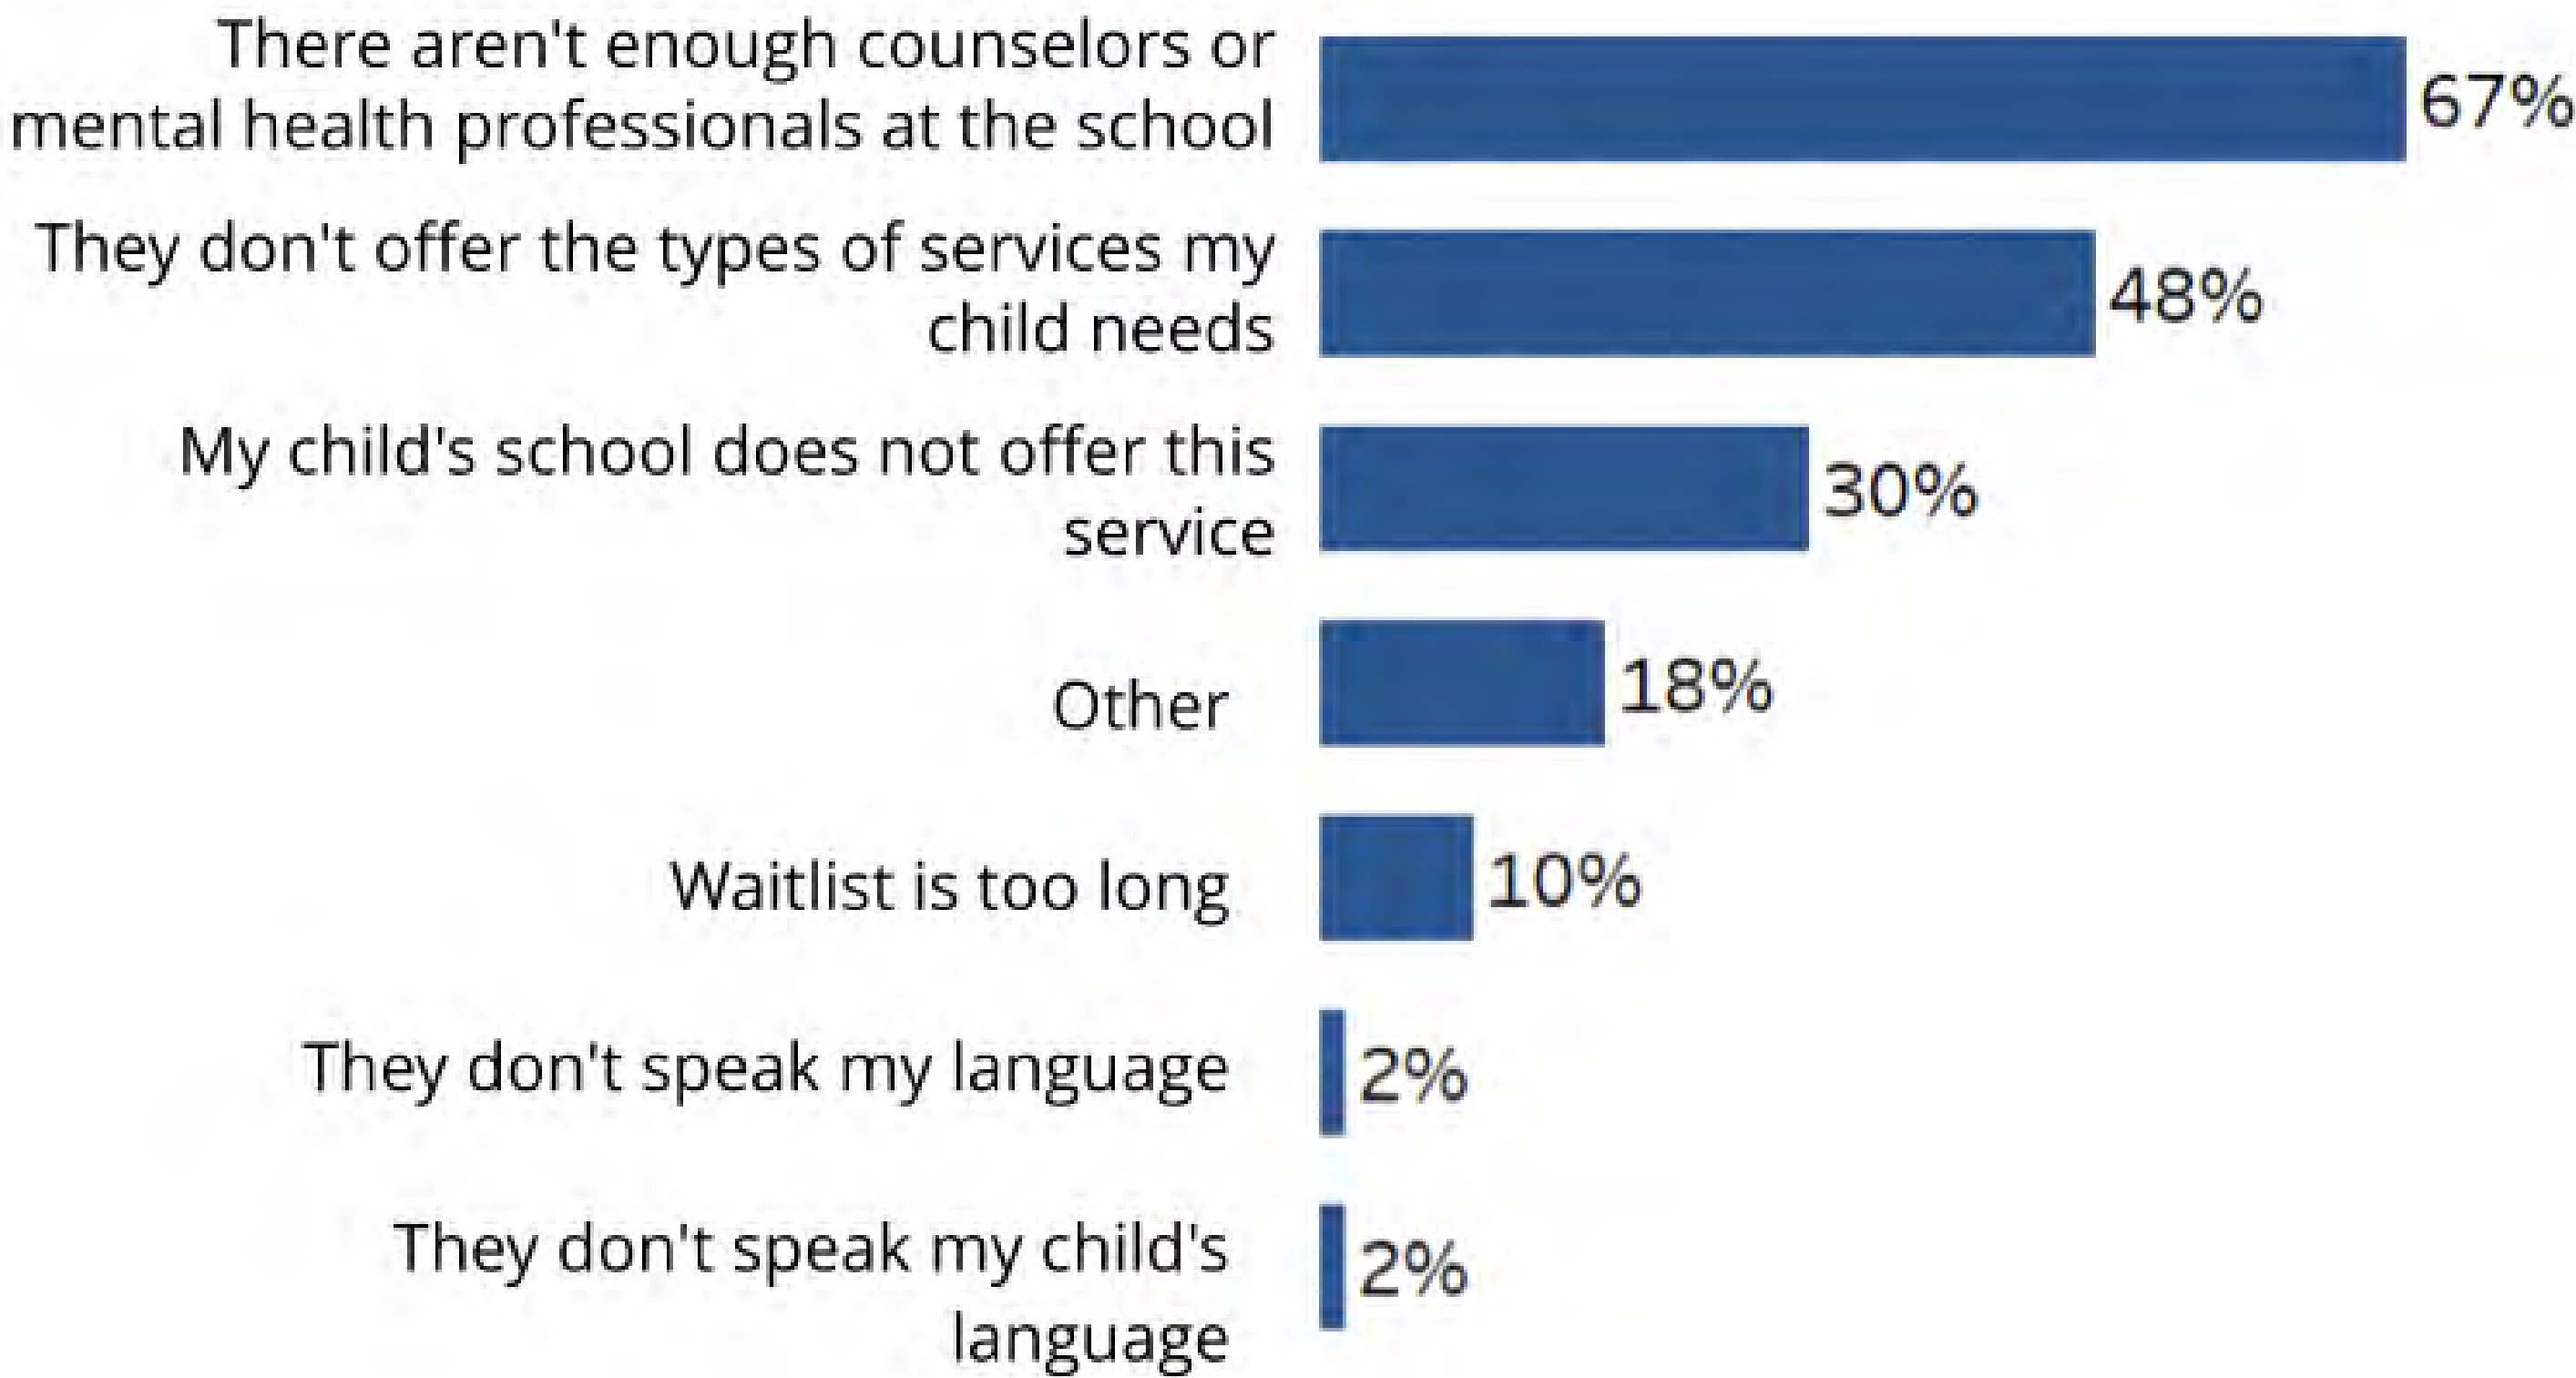

Source: Doña Ana Youth Risk and Resiliency Survey (YRRS) 2019.

# School-Based Mental Health

67% of respondents who needed school-based mental health services for their child said there weren't enough mental health care professionals at their child's school, and nearly half (48%) said the school did not offer the types of services their child needed.

## Difficulties accessing school-based mental health services:

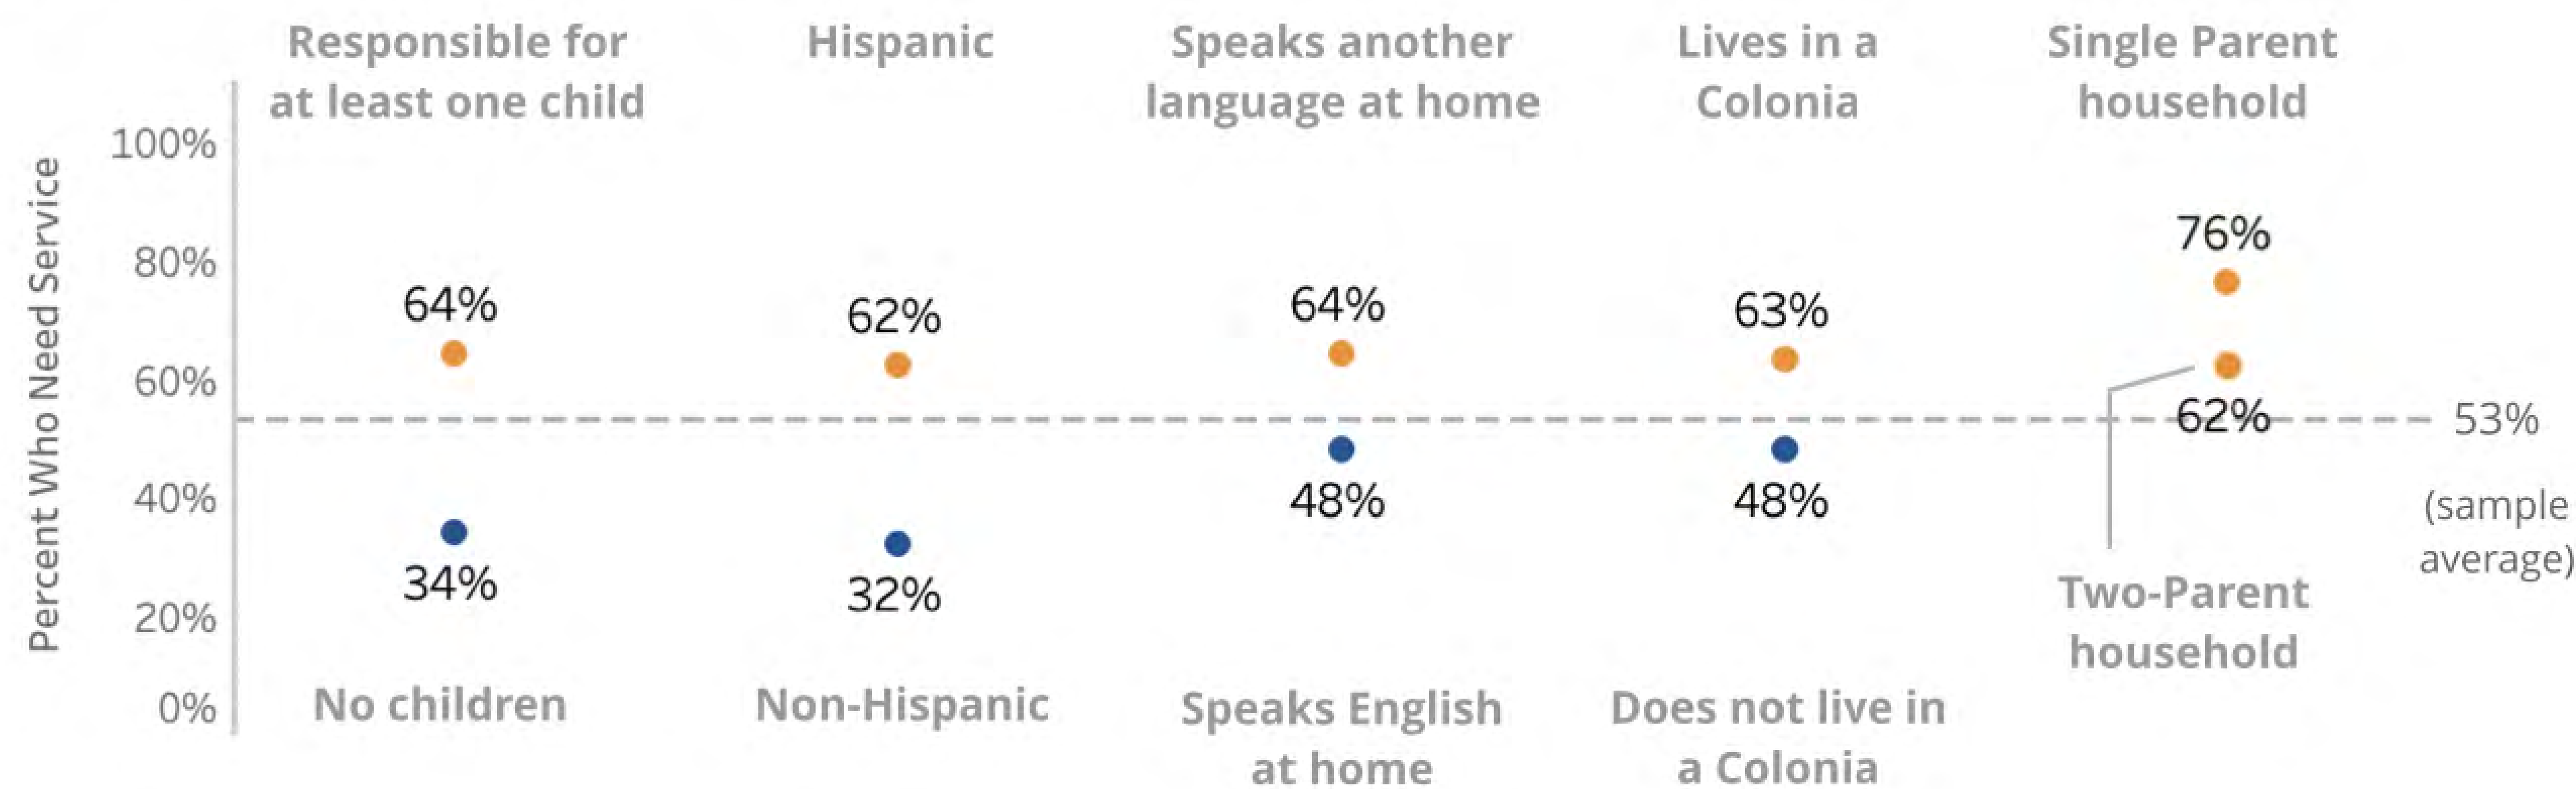

# Food Assistance

53% of participants reported needing food assistance services, such as WIC, food stamps, Roadrunner Food Bank).

76% of single-parent households and 64% of respondents speaking a language other than English reported needing these services.

Who reported need for food assistance?

All group differences are statistically significant at  $\alpha=0.05$

# Reflection and Group Discussion 1A:

## **What Makes a Healthy School?**

Things to consider in your groups:

What attitudes, behaviors, and practices need to change or be developed to see improvement?

**5 MINUTES**

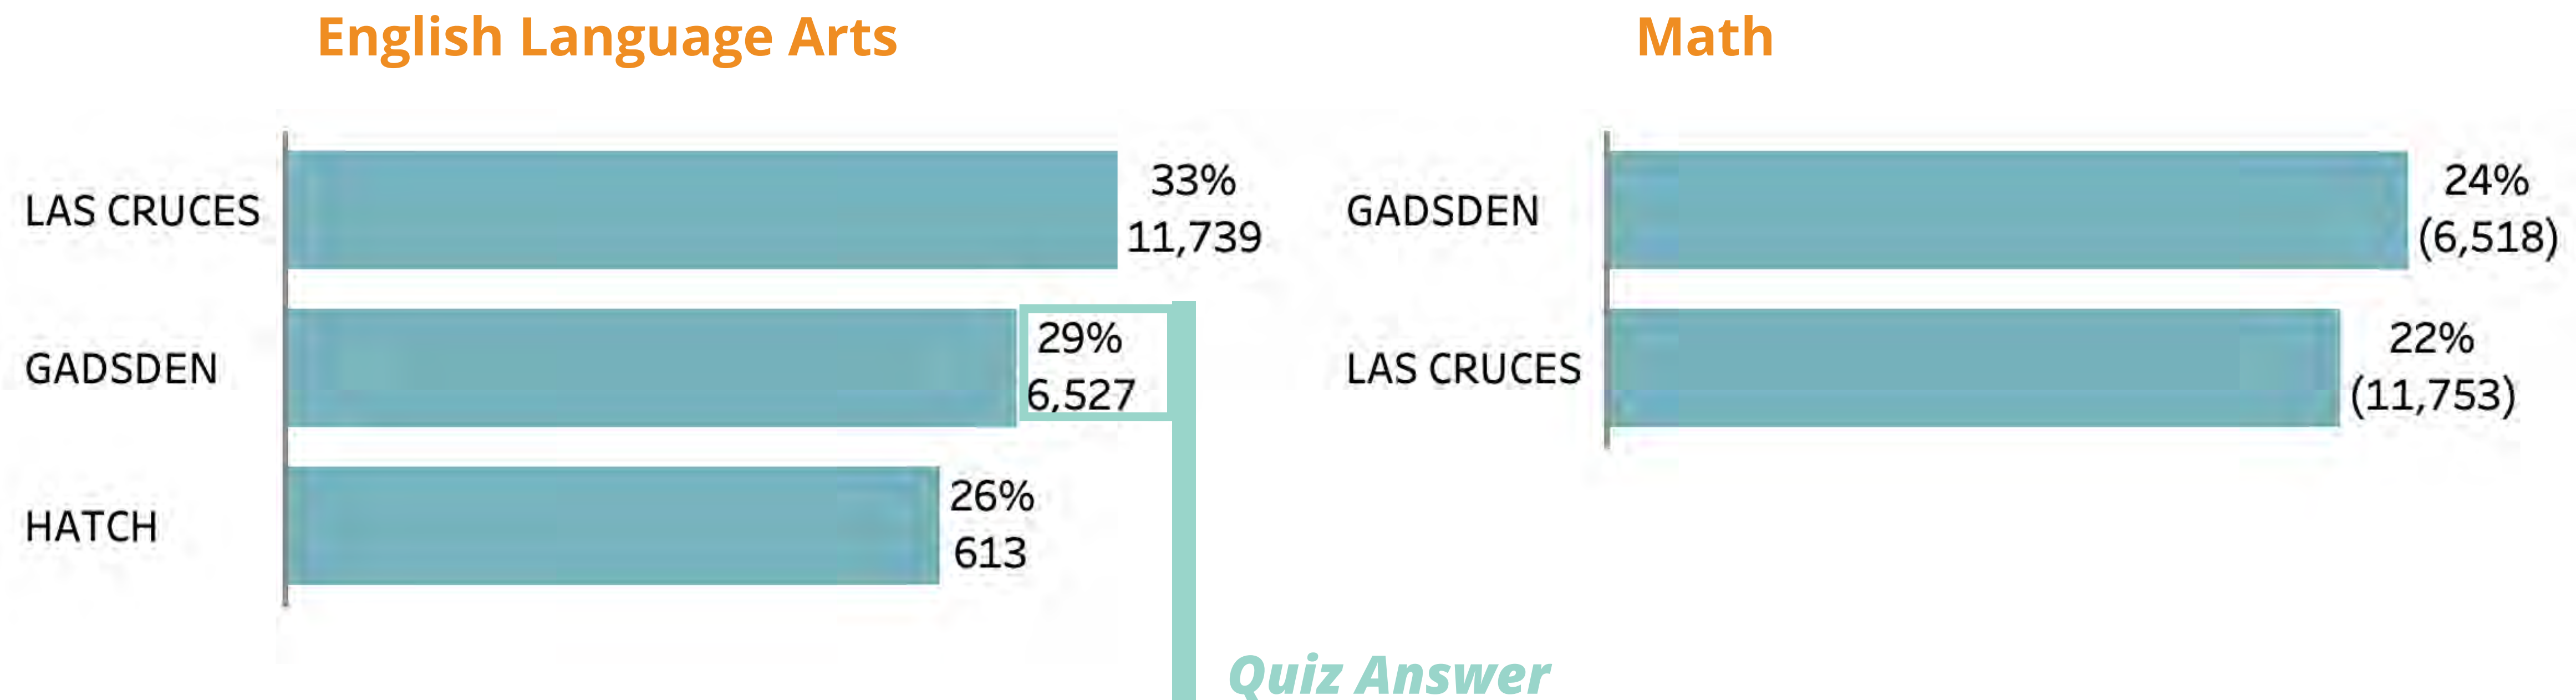

# Goal 1b:

## (Re)Defining Academic Success

# Language Arts & Math Assessment

Percentage and number of students proficient or above in English Language Arts and Math by school district, 2022

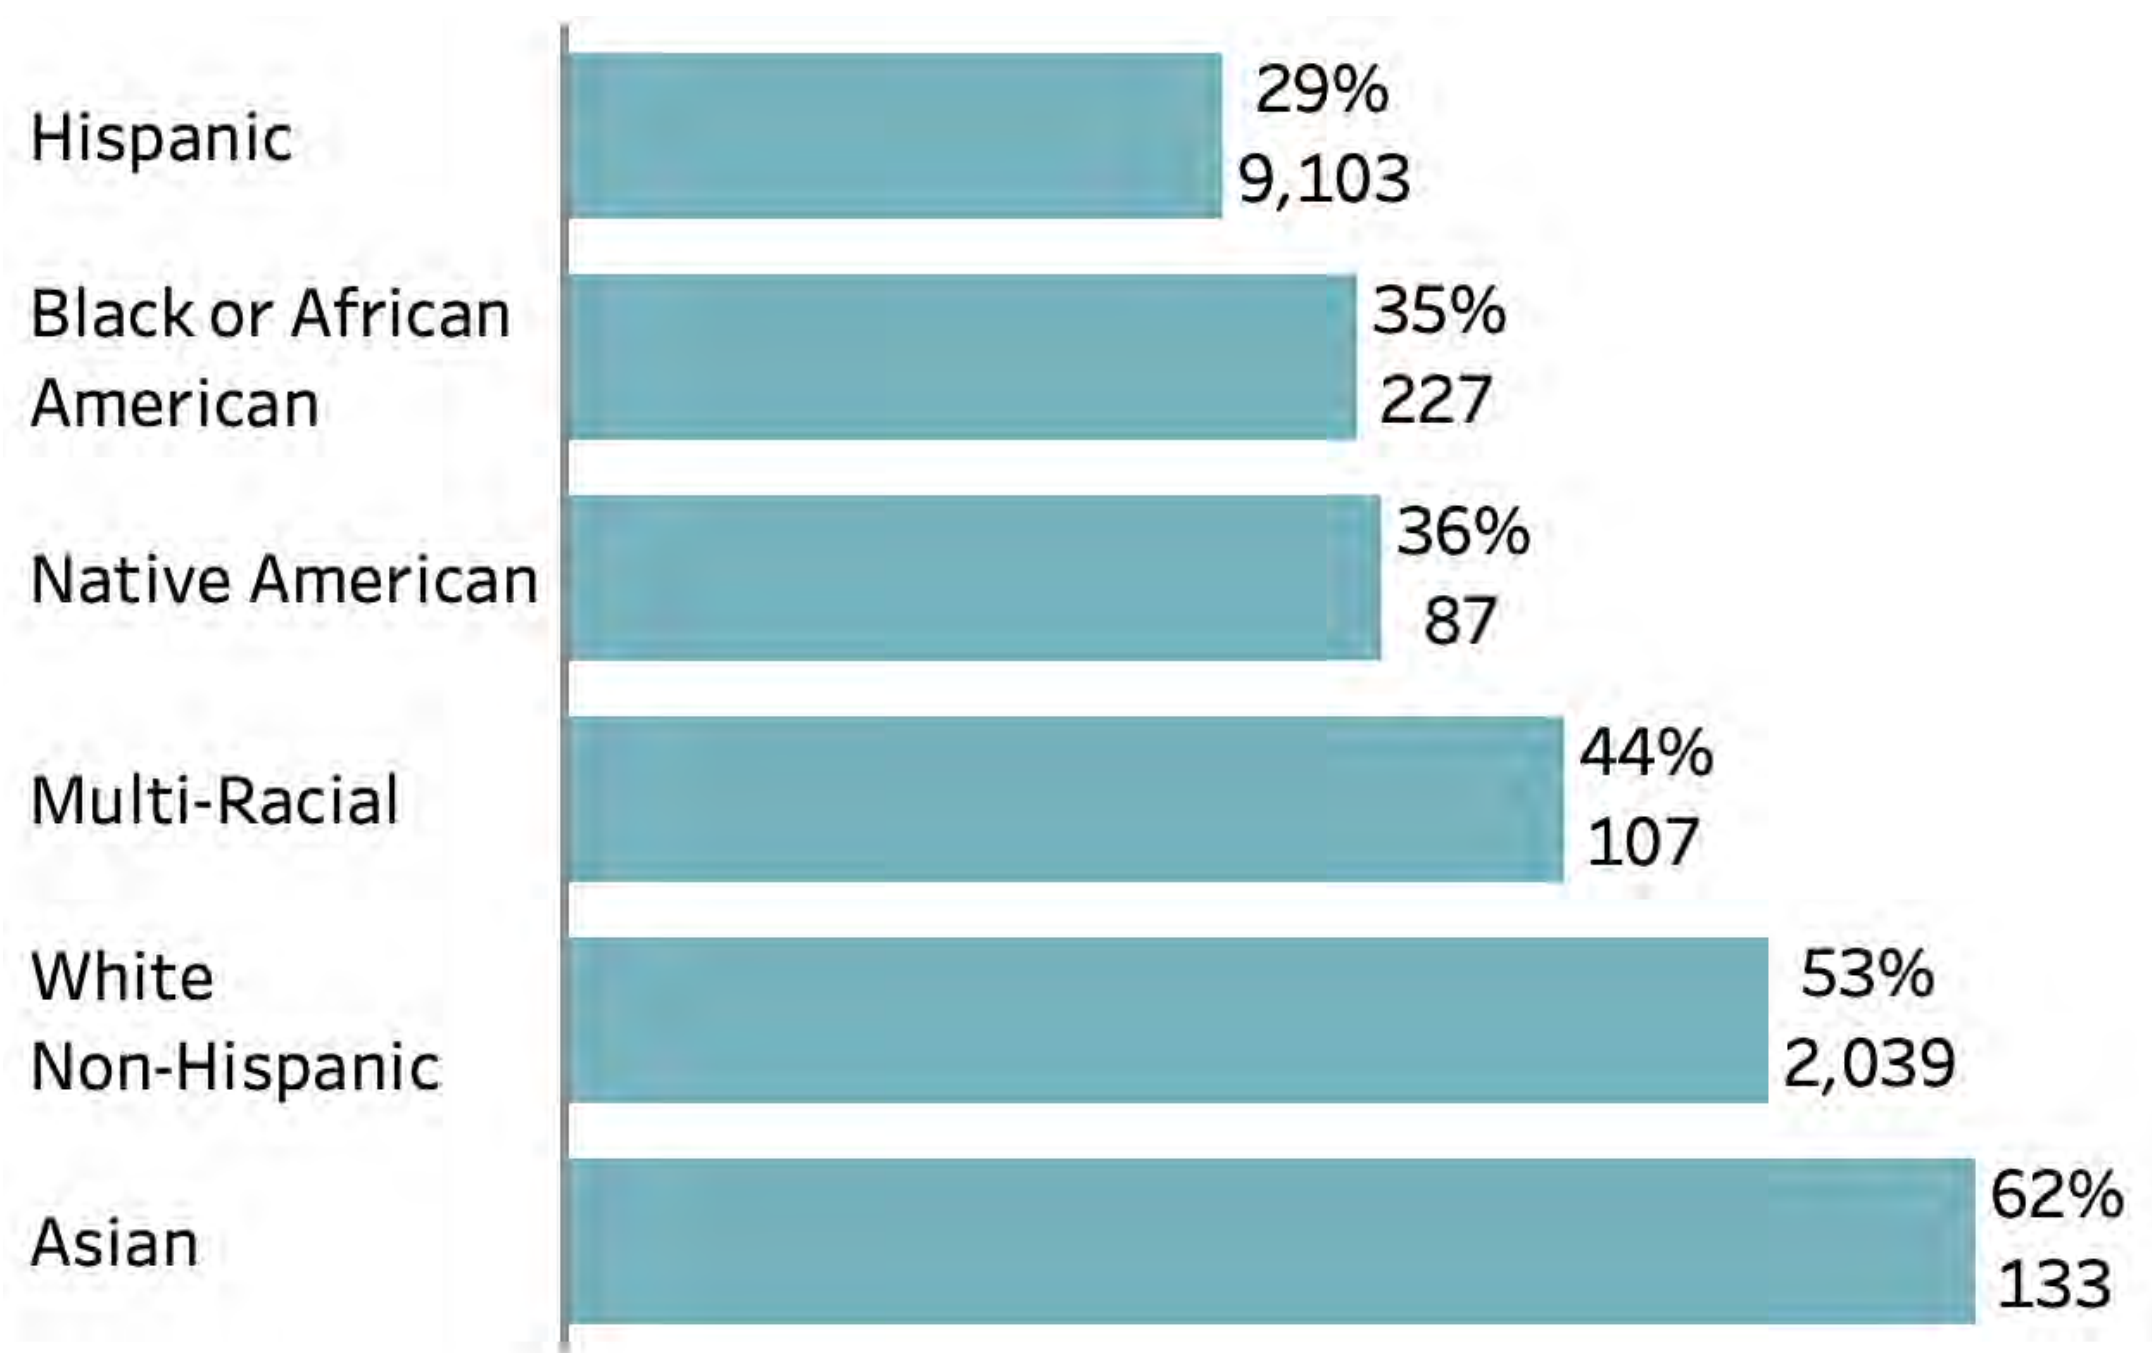

Notes: 20% or less of Hatch students were proficient in Math. In order to meet confidentiality requirements, information is not shown for groups with fewer than 6 students. **These outcomes reflect:** MSSA (grades 3 - 8); SAT (high school); DLM (Alternative Assessment); SBA Spanish (high school). Source: New Mexico Public Education Department, SY 21-22.

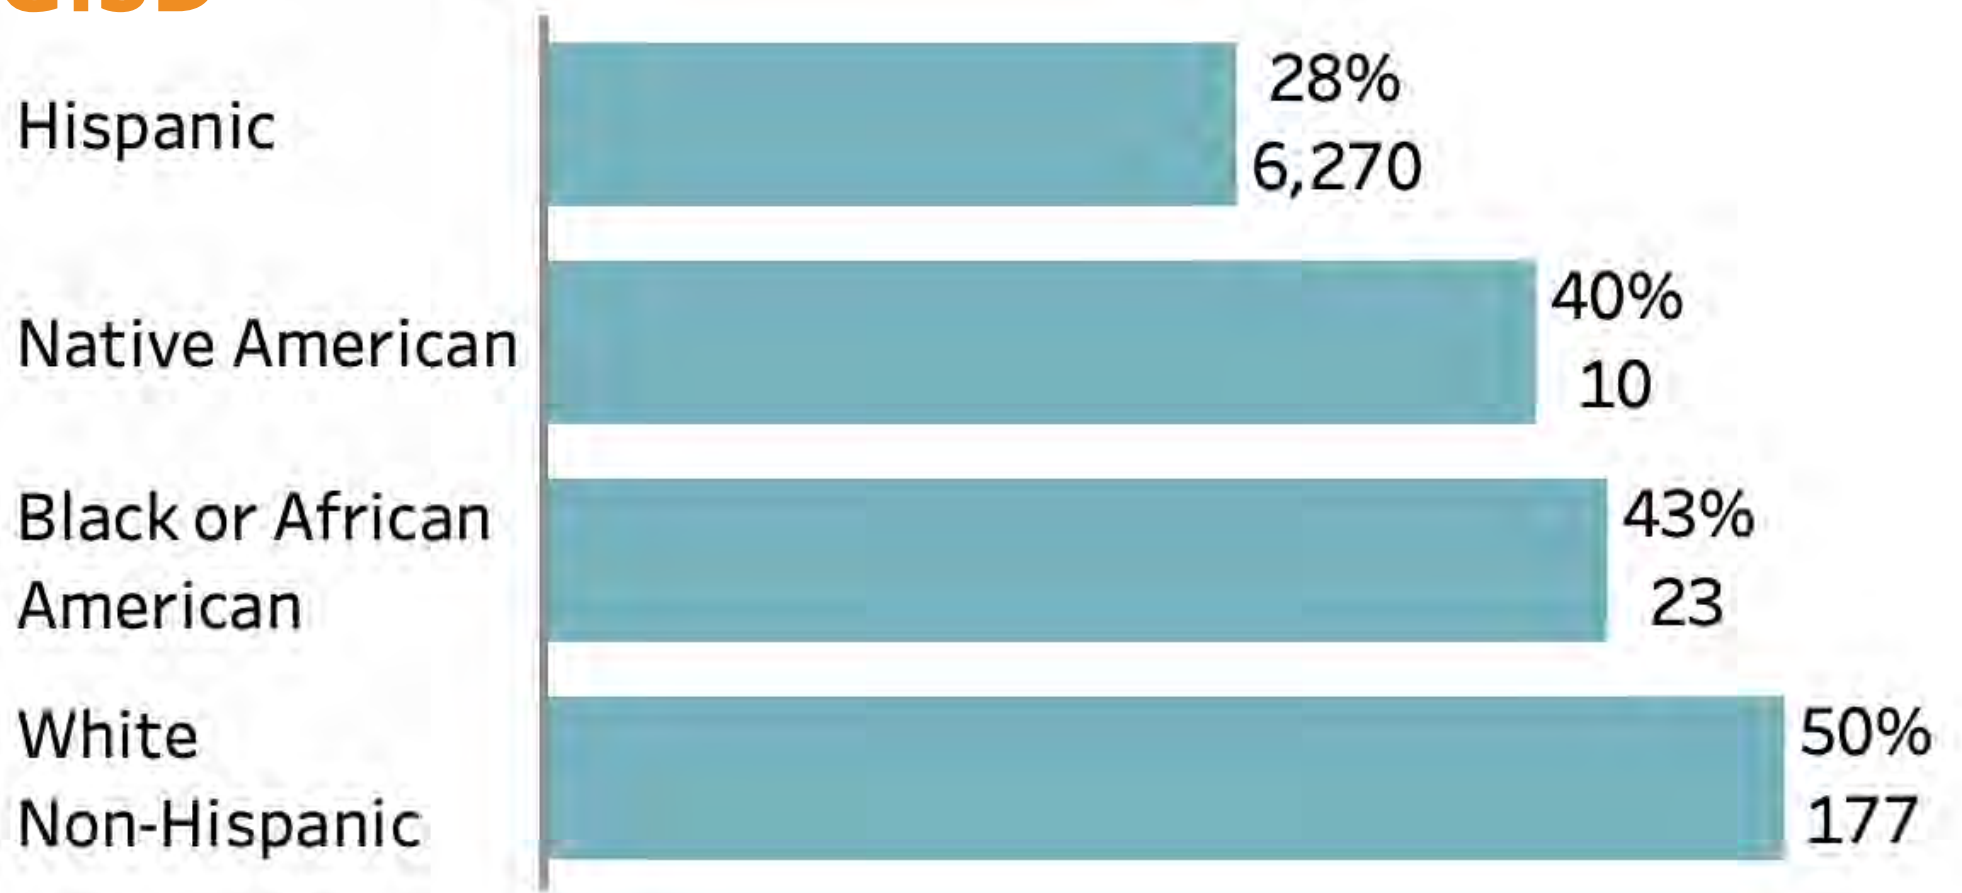

# Assessments by School District and Student Demographics

Percentage and number of students proficient or above in English Language Arts by district and race and ethnicity , 2022

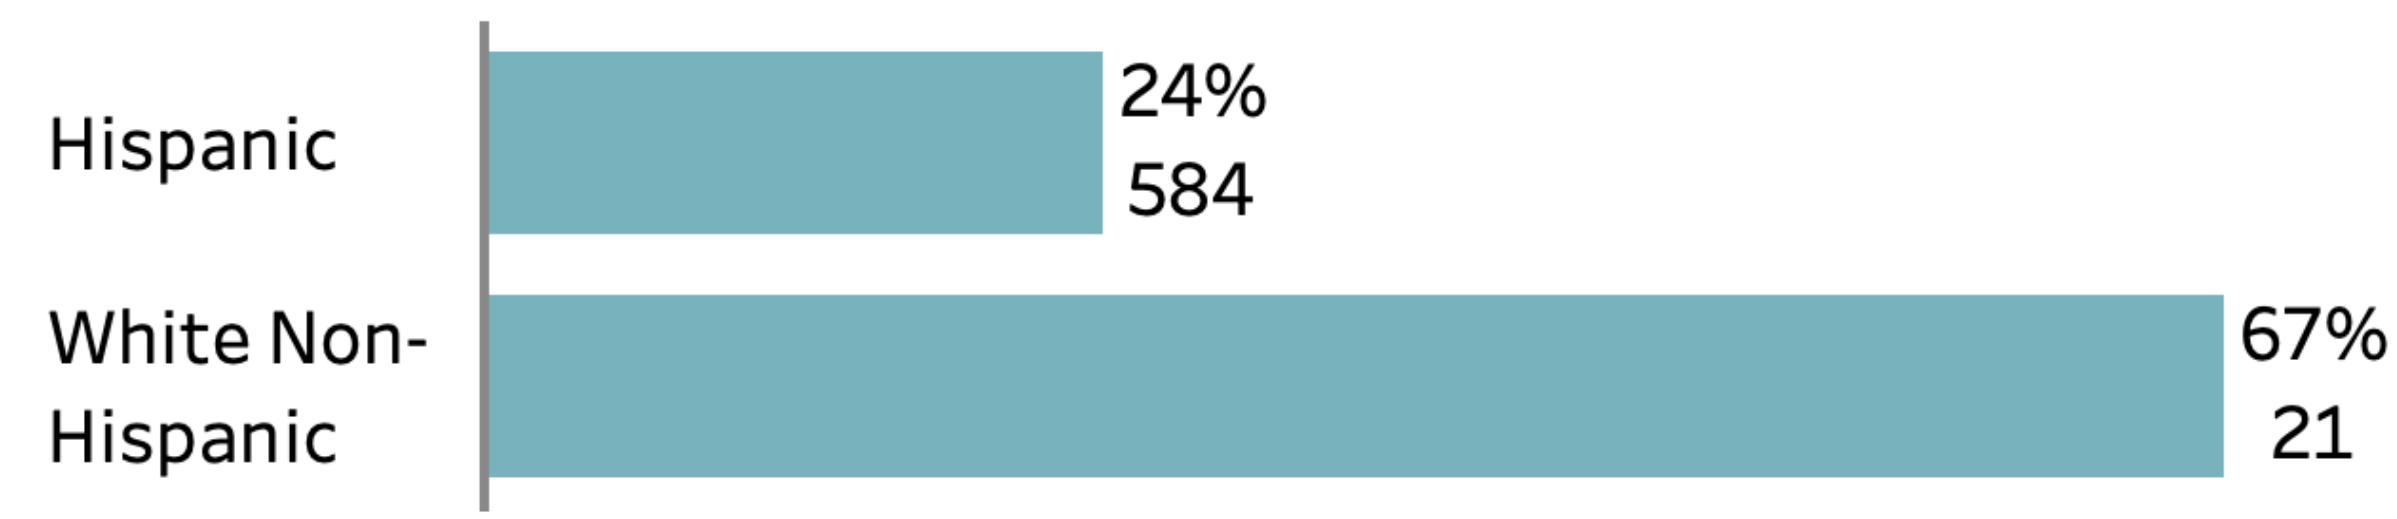

## LCPS

## GISD

## Hatch

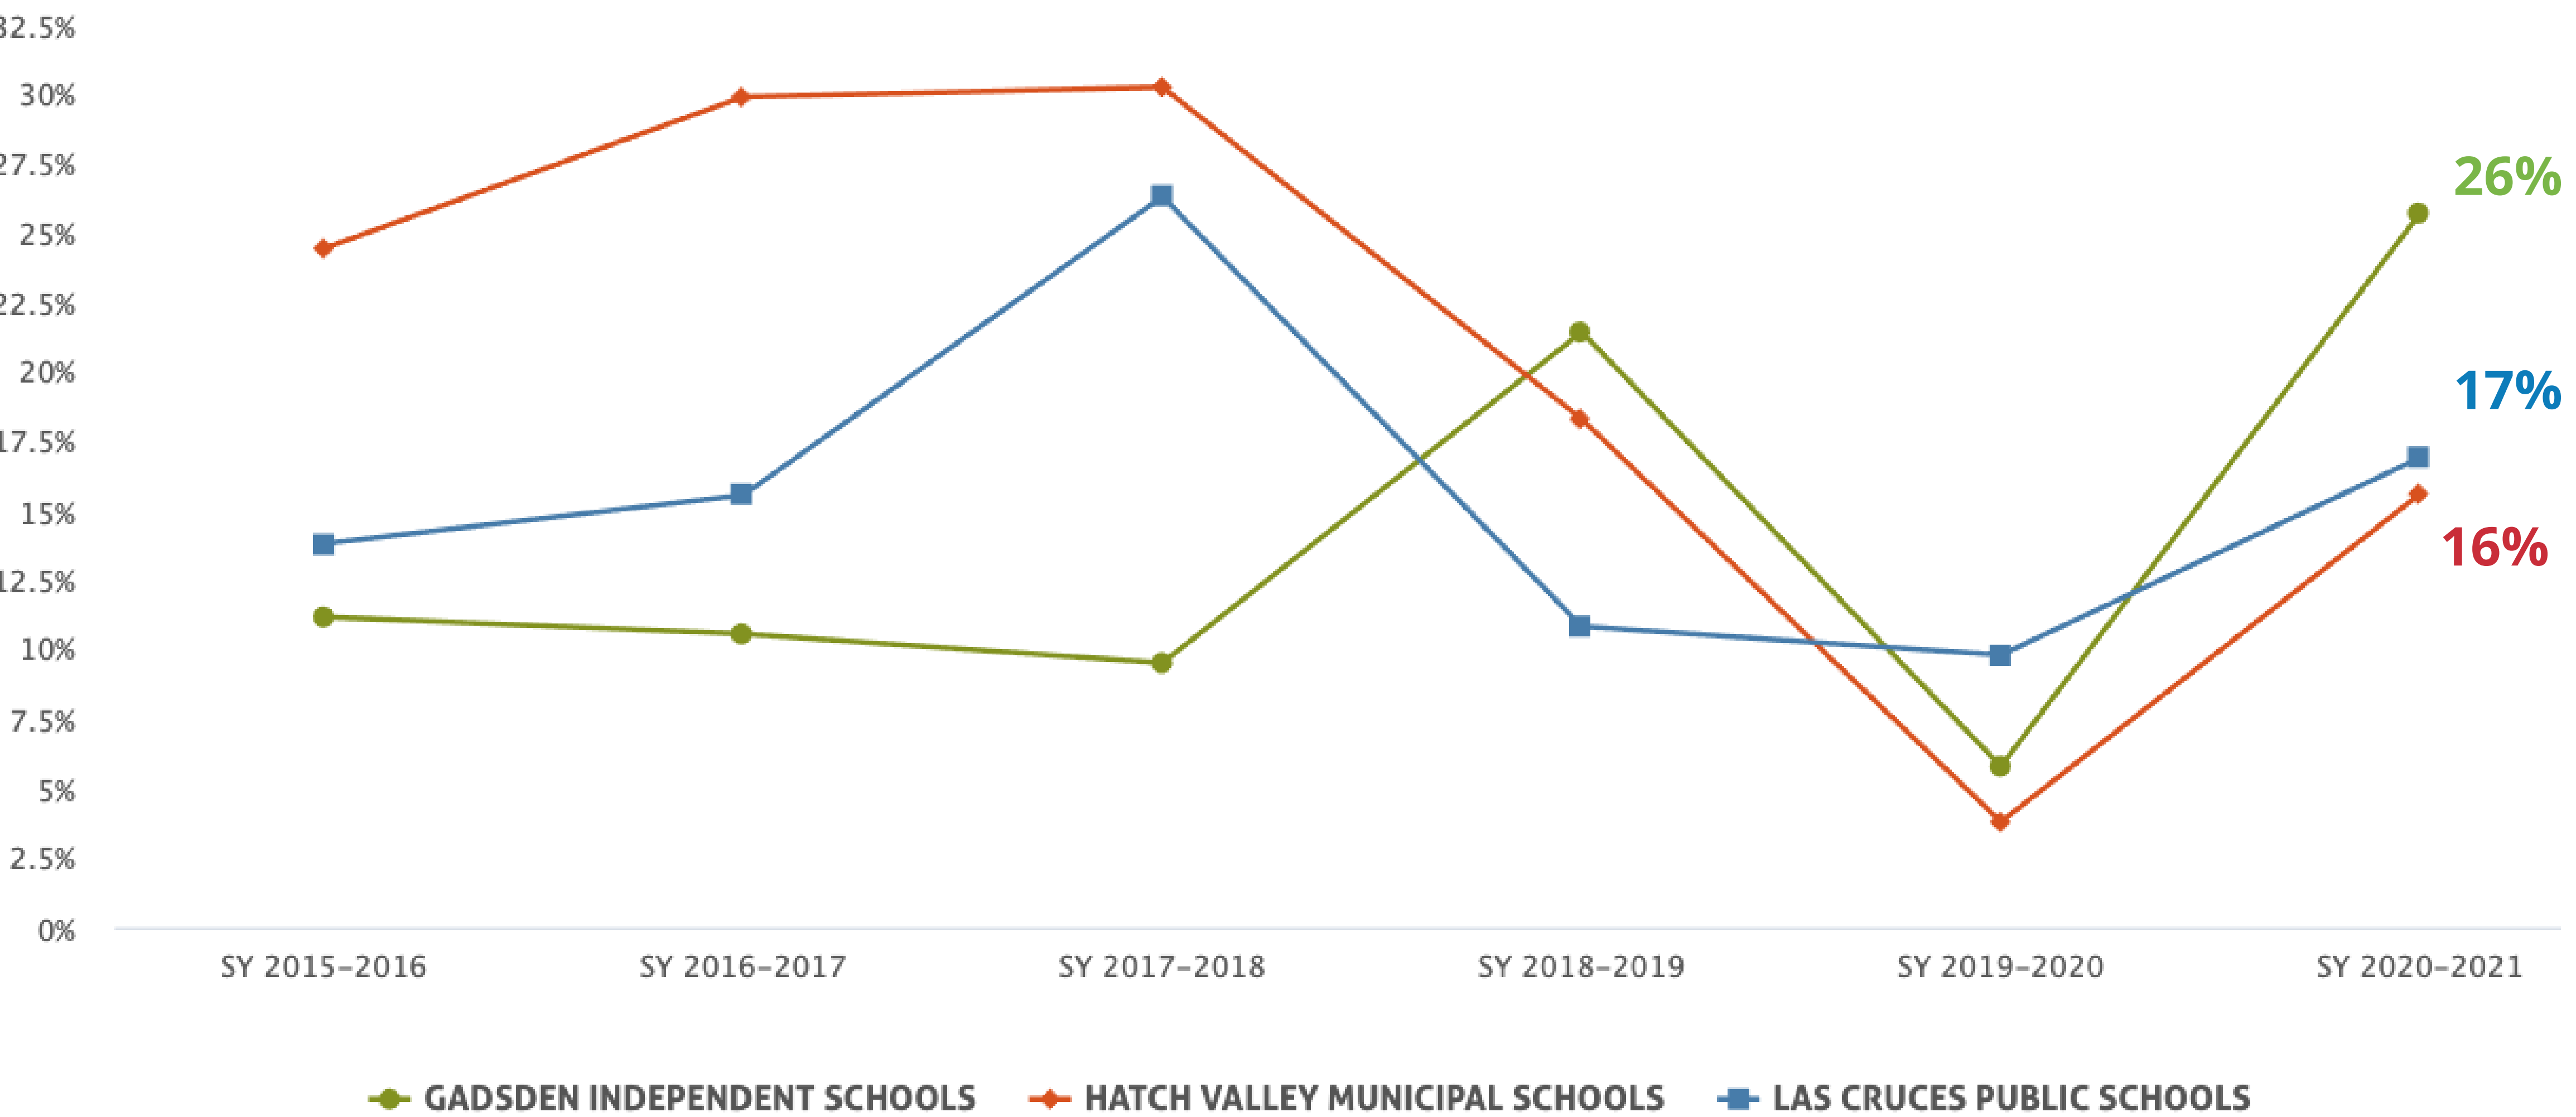

Notes: In order to meet confidentiality requirements, some districts and groups are not shown for groups with fewer than 6 students. These outcomes reflect: MSSA (grades 3 - 8); SAT (high school); DLM (Alternative Assessment); SBA Spanish (high school). In order to meet confidentiality requirements, information is not shown for groups with fewer than 6 students. Source: New Mexico Public Education Department, SY 21-22

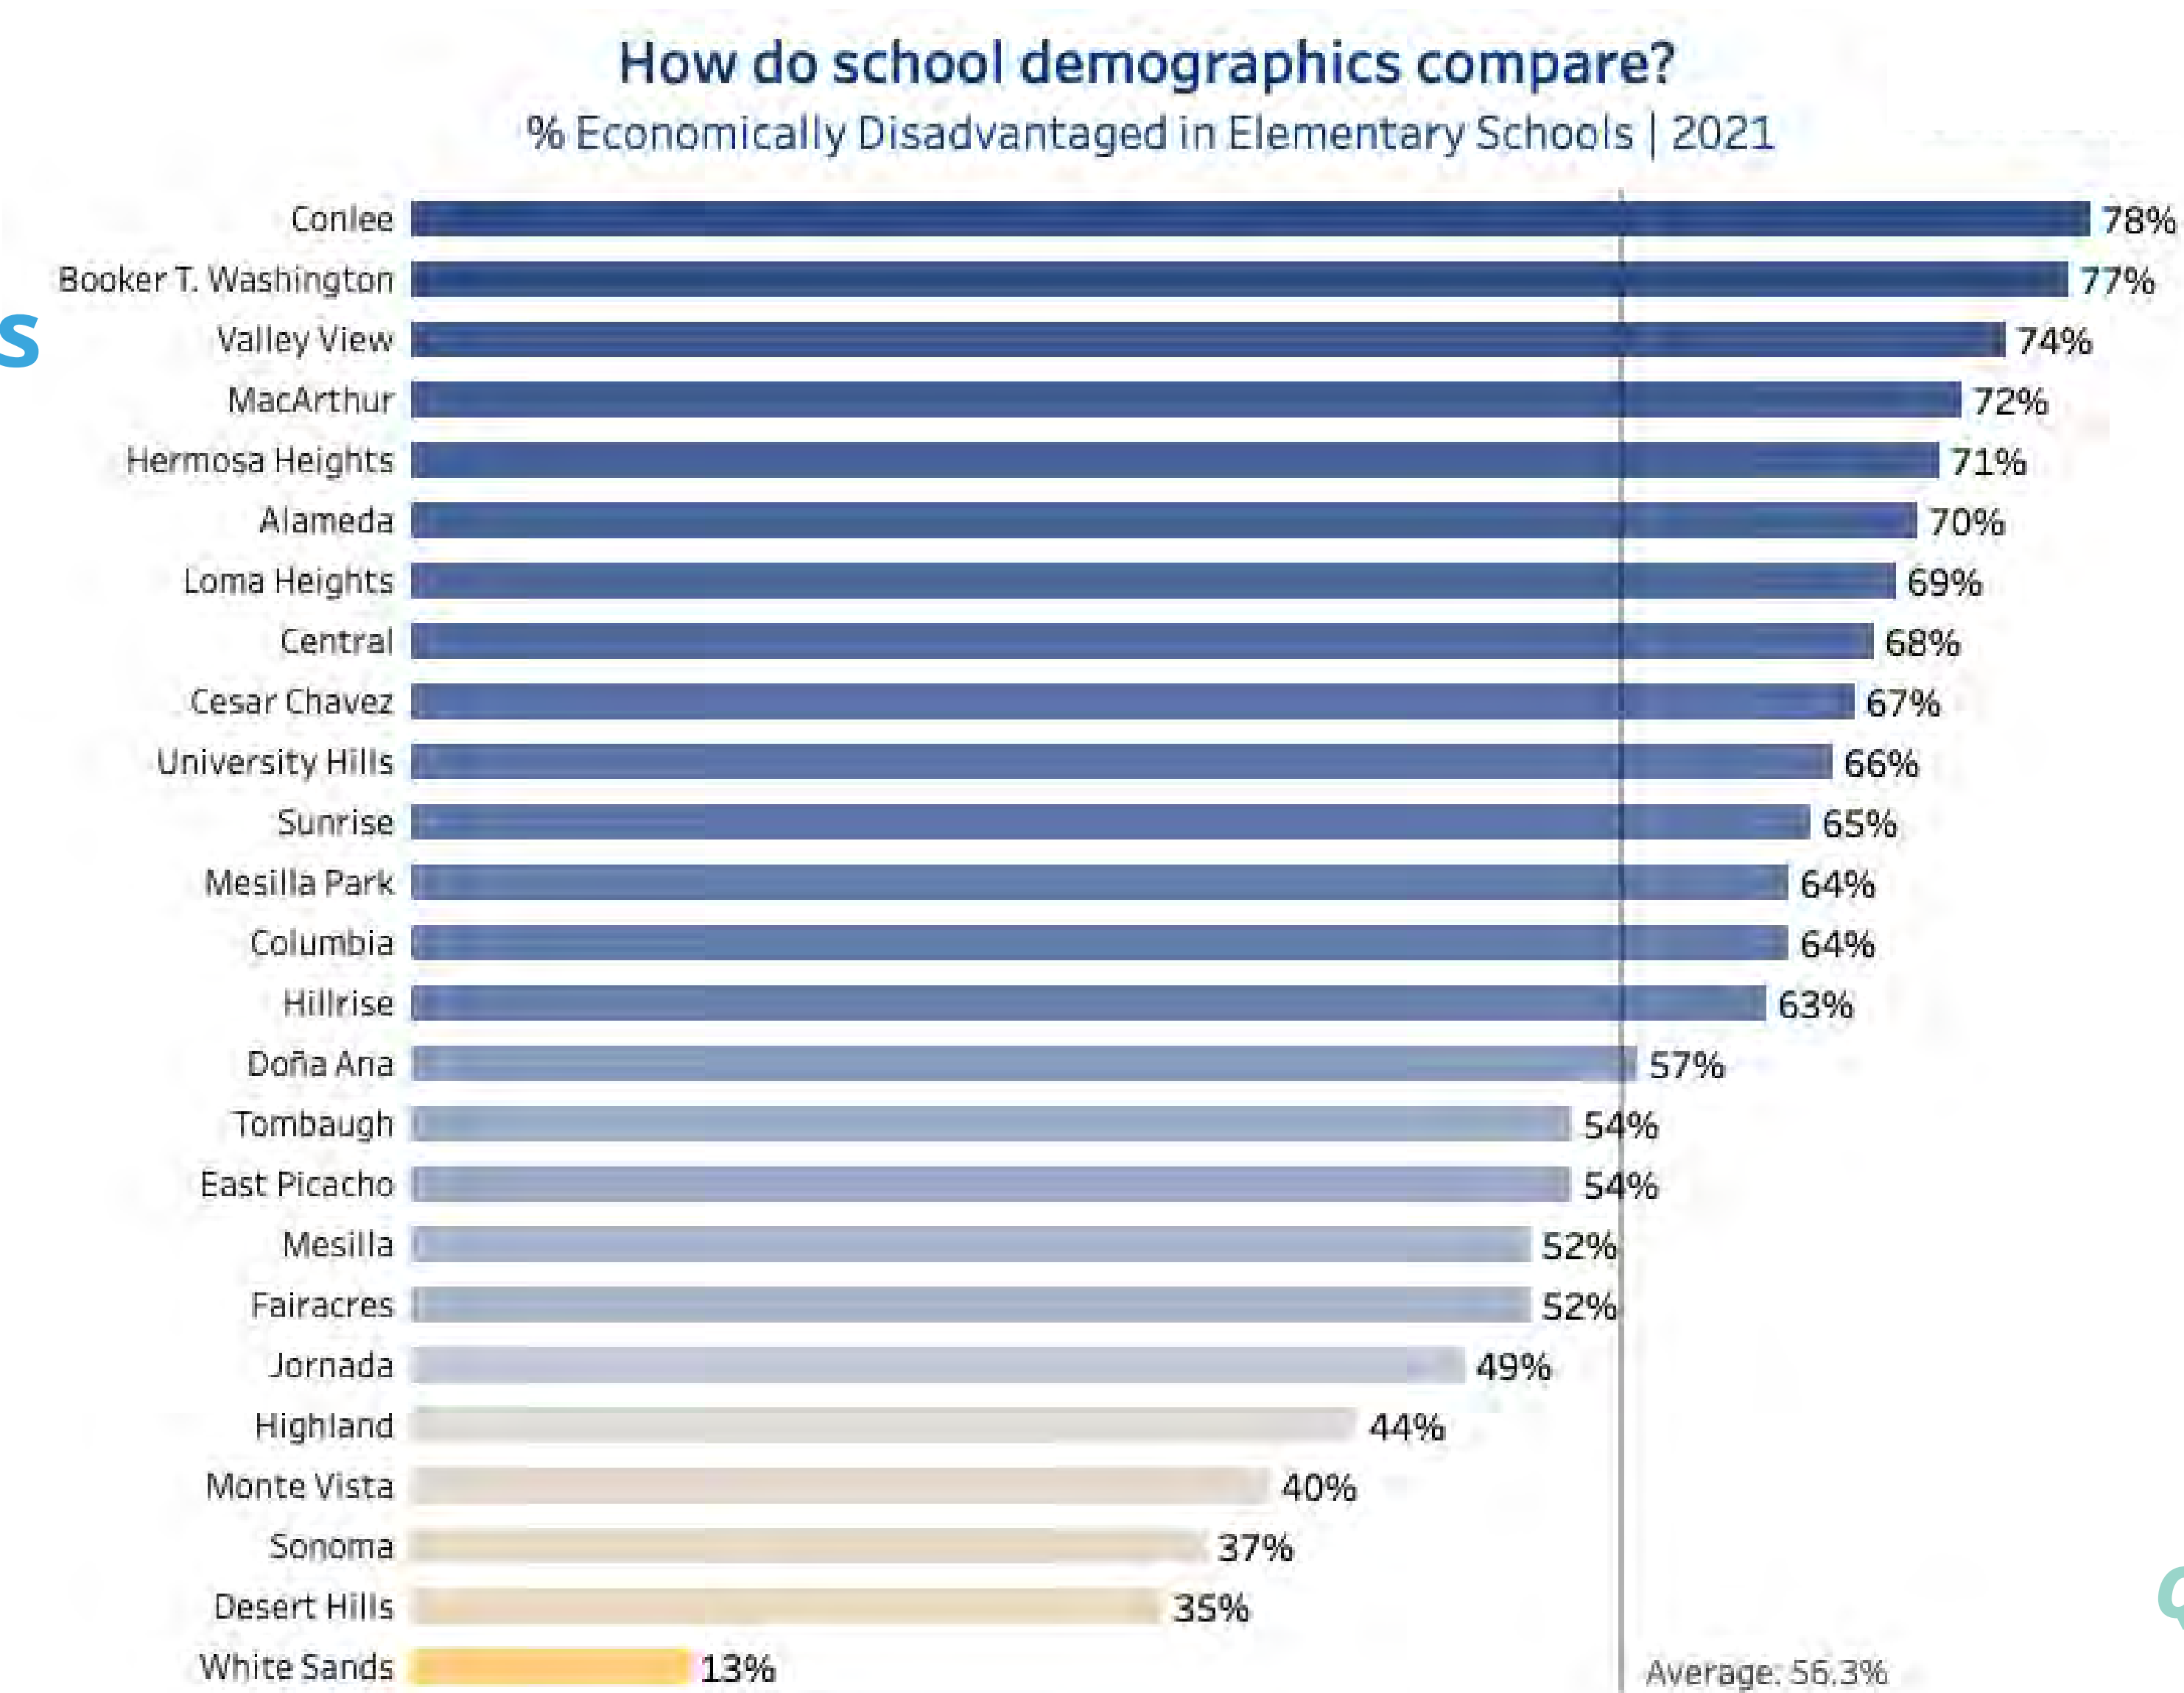

# Student Engagement

## Habitual Truancy Rates by district, 2015-2021

Notes: Data reflect the number of habitually truant students enrolled in Charter, Off-Site, Public, and State-Supported schools. A student is identified as a Habitual Truant when the student has accumulated 10 or more days truant. Both half and full day truancy are used by the PED to calculate truancy rates. Source: New Mexico Voices for Children Data obtained by custom data request from the New Mexico Public Education Department (NMPED).

# School Equity: Concentrations of Poverty in LCPS Elementary Schools

% difference  
between the  
school with  
the highest %  
of students in  
poverty and  
the lowest %  
of students in  
poverty:

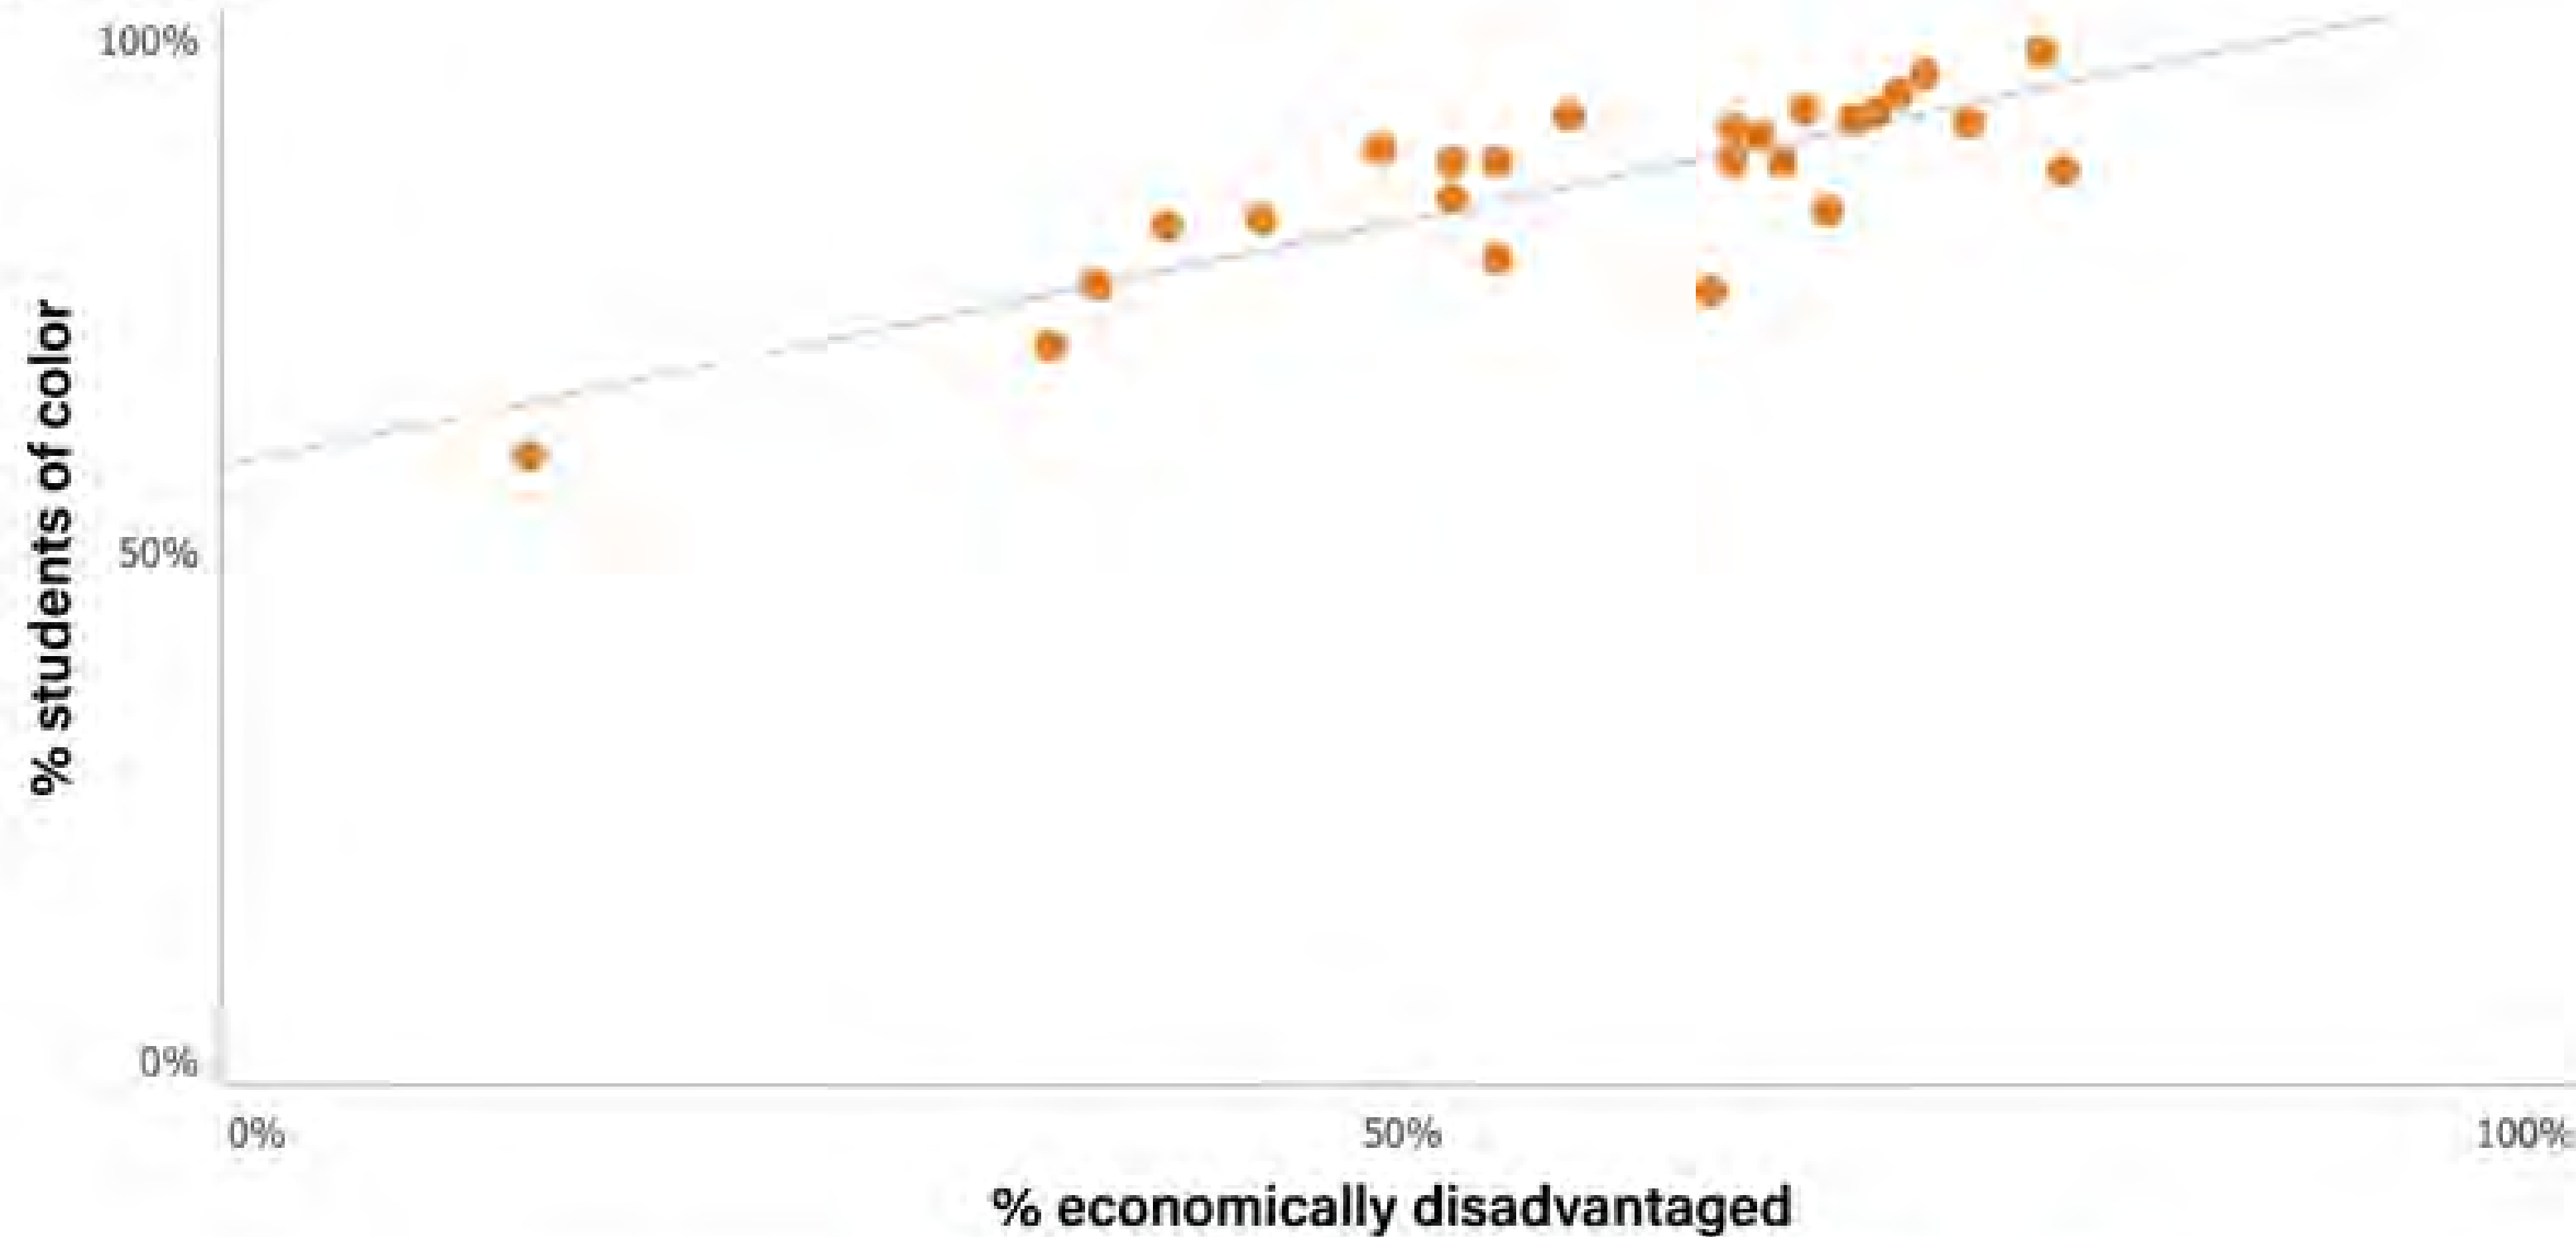

65%

Quiz Answer

**LCPS schools with the greatest proportion of economically disadvantaged students also have the most students of color.**

**( $R^2 = 0.69$ )**

LCPS Elementary Schools (orange dots) by Race and Income Status

# Reflection and Group Discussion 1B:

## How do you define Academic Success?

**Things to consider in your groups:**

Are "traditional" measures of student success still relevant for estimating students future abilities or success?

What factors or assessments should be considered when defining academic success?

**5 MINUTES**

# Goal 2A:

Equitable  
Access and  
Success in  
Higher  
Education

# Equitable Access

## Percentage of Students from the 2018 Graduating Cohorts who participated in Dual Credit

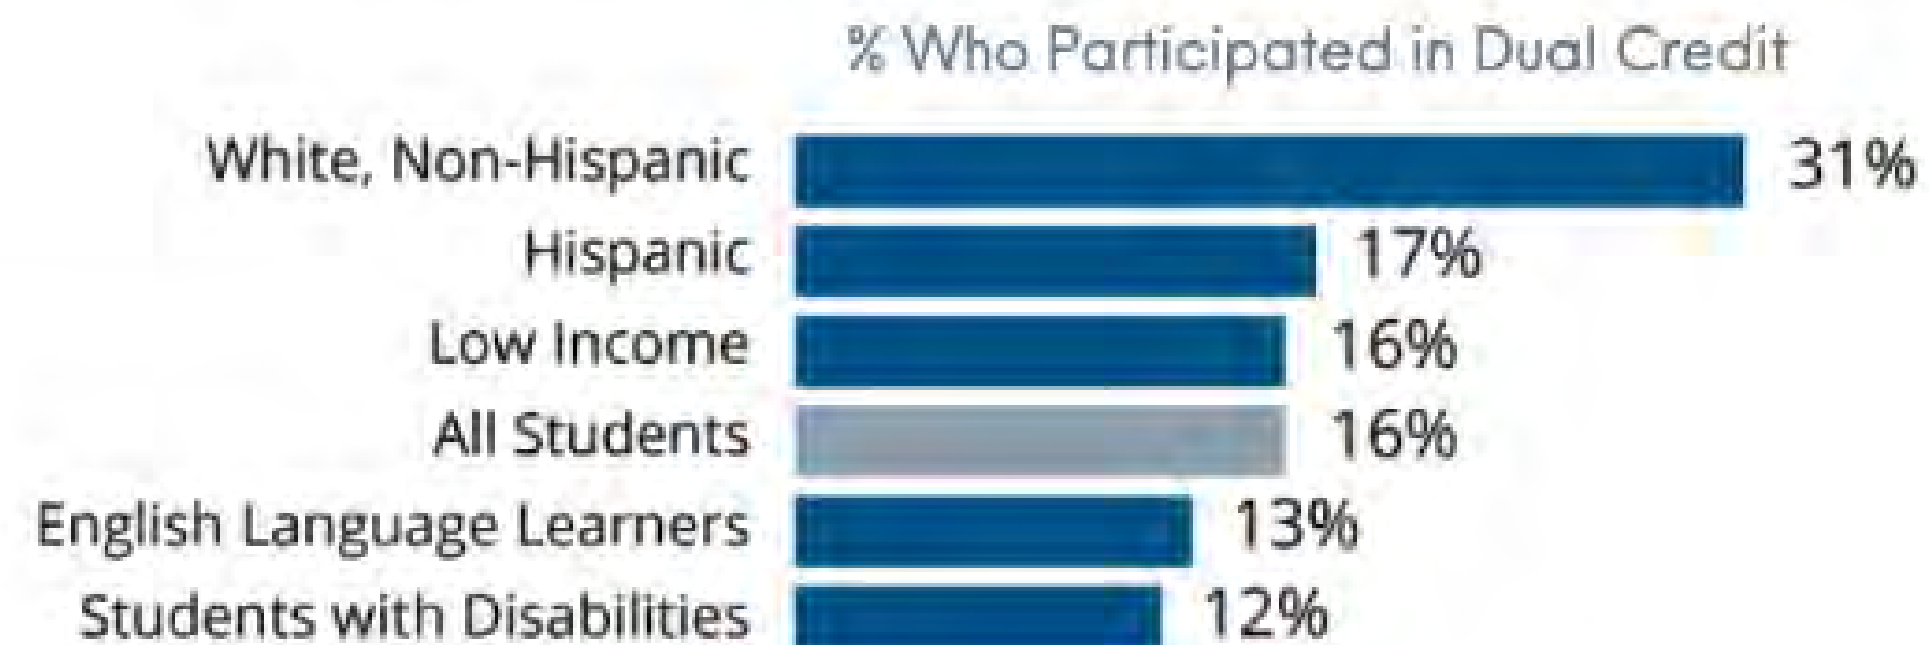

### Las Cruces

### Hatch

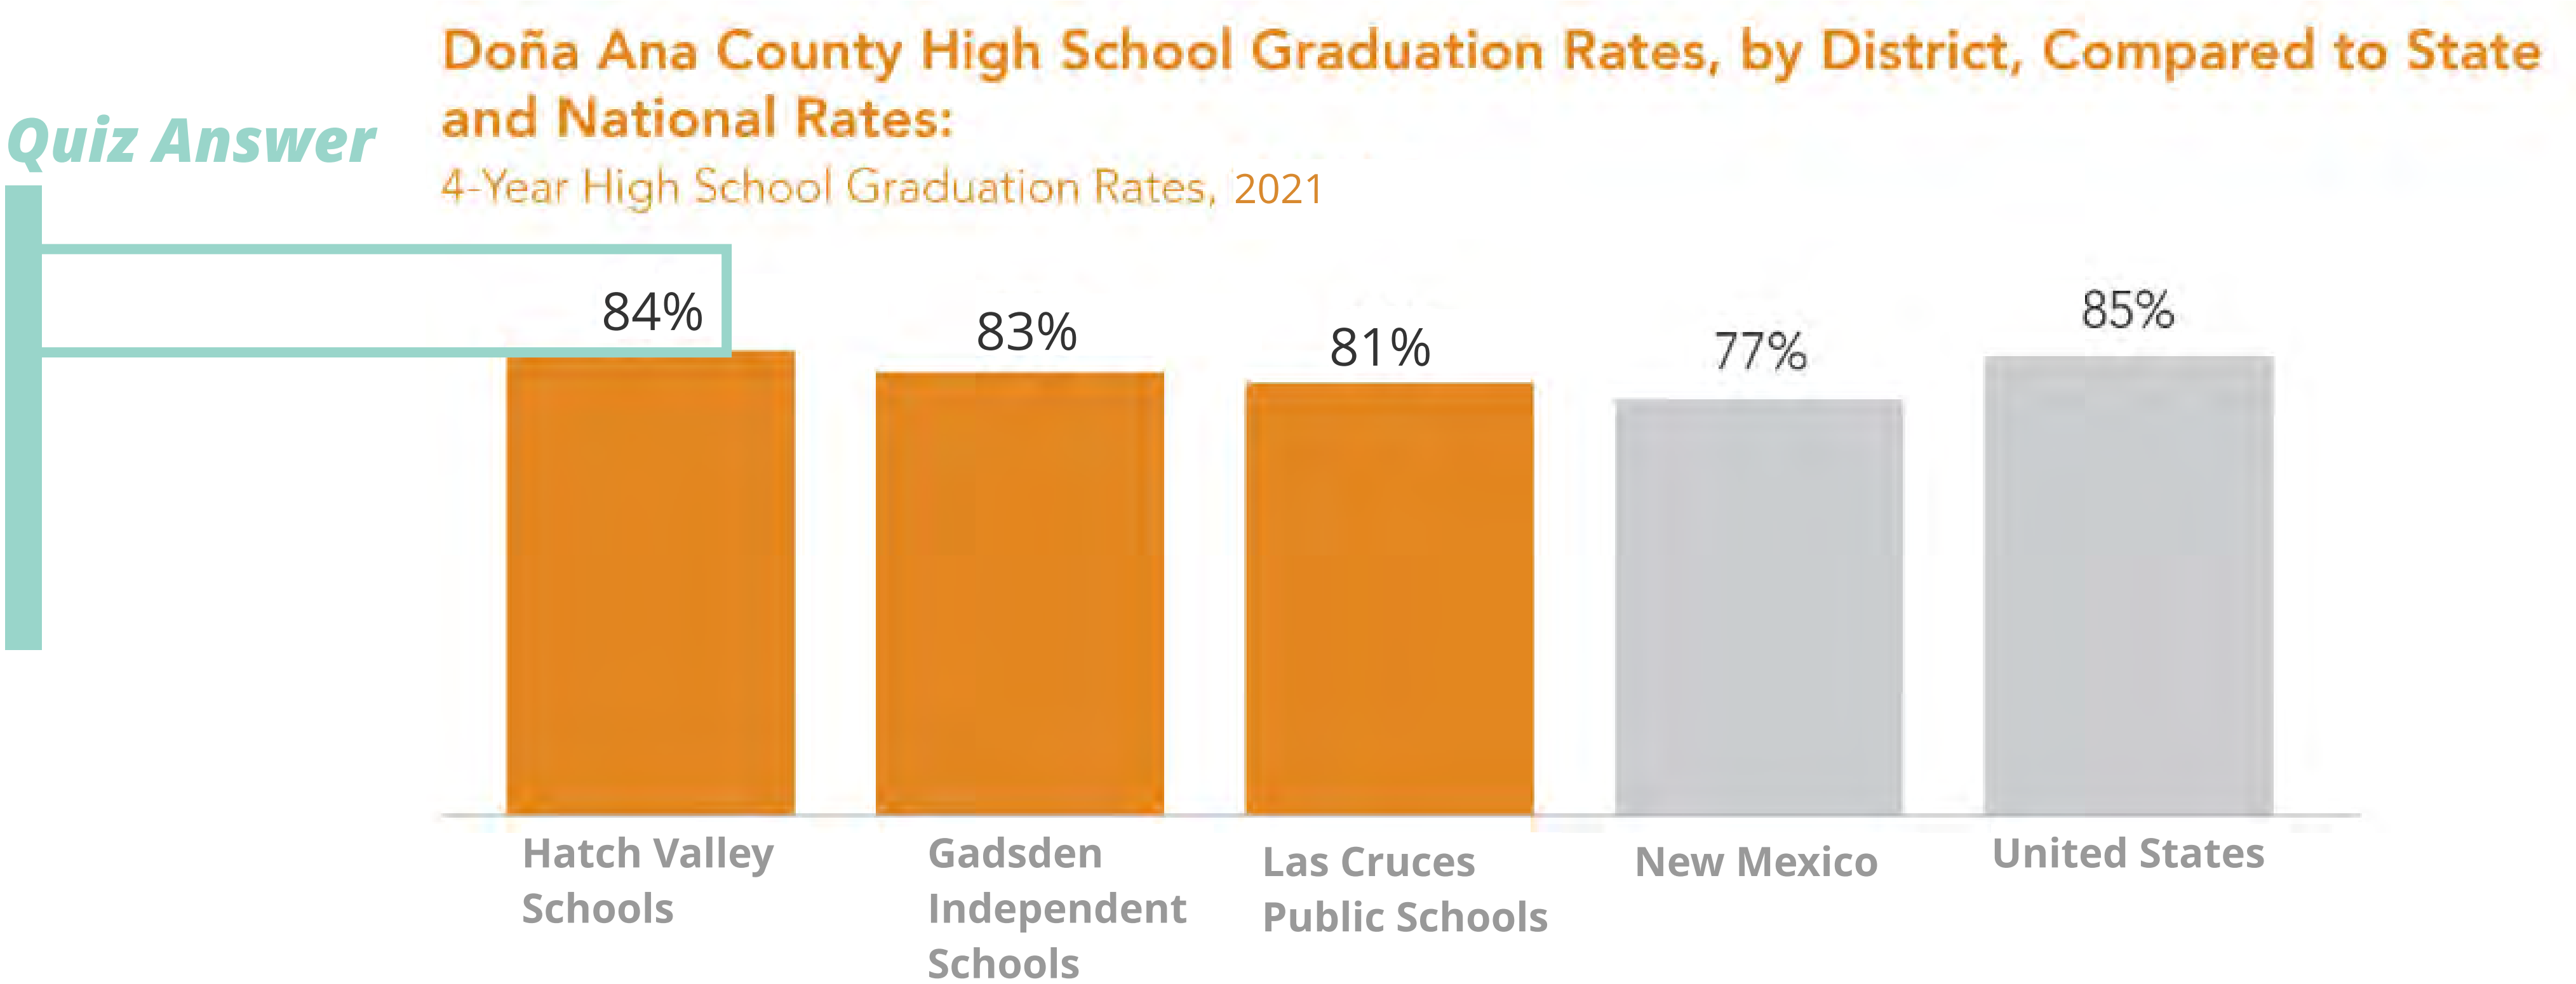

### Gadsden

# Are Students Graduating Ready for College?

**4-Year graduation rate for Students with Disabilities:**  
**79% in Hatch, 73% in GISD, and 73% in LCPS**

Source: Source: NM Public Education Department- 4-year Graduation Rates, 2021

# College Success

## Food & Housing Insecurity

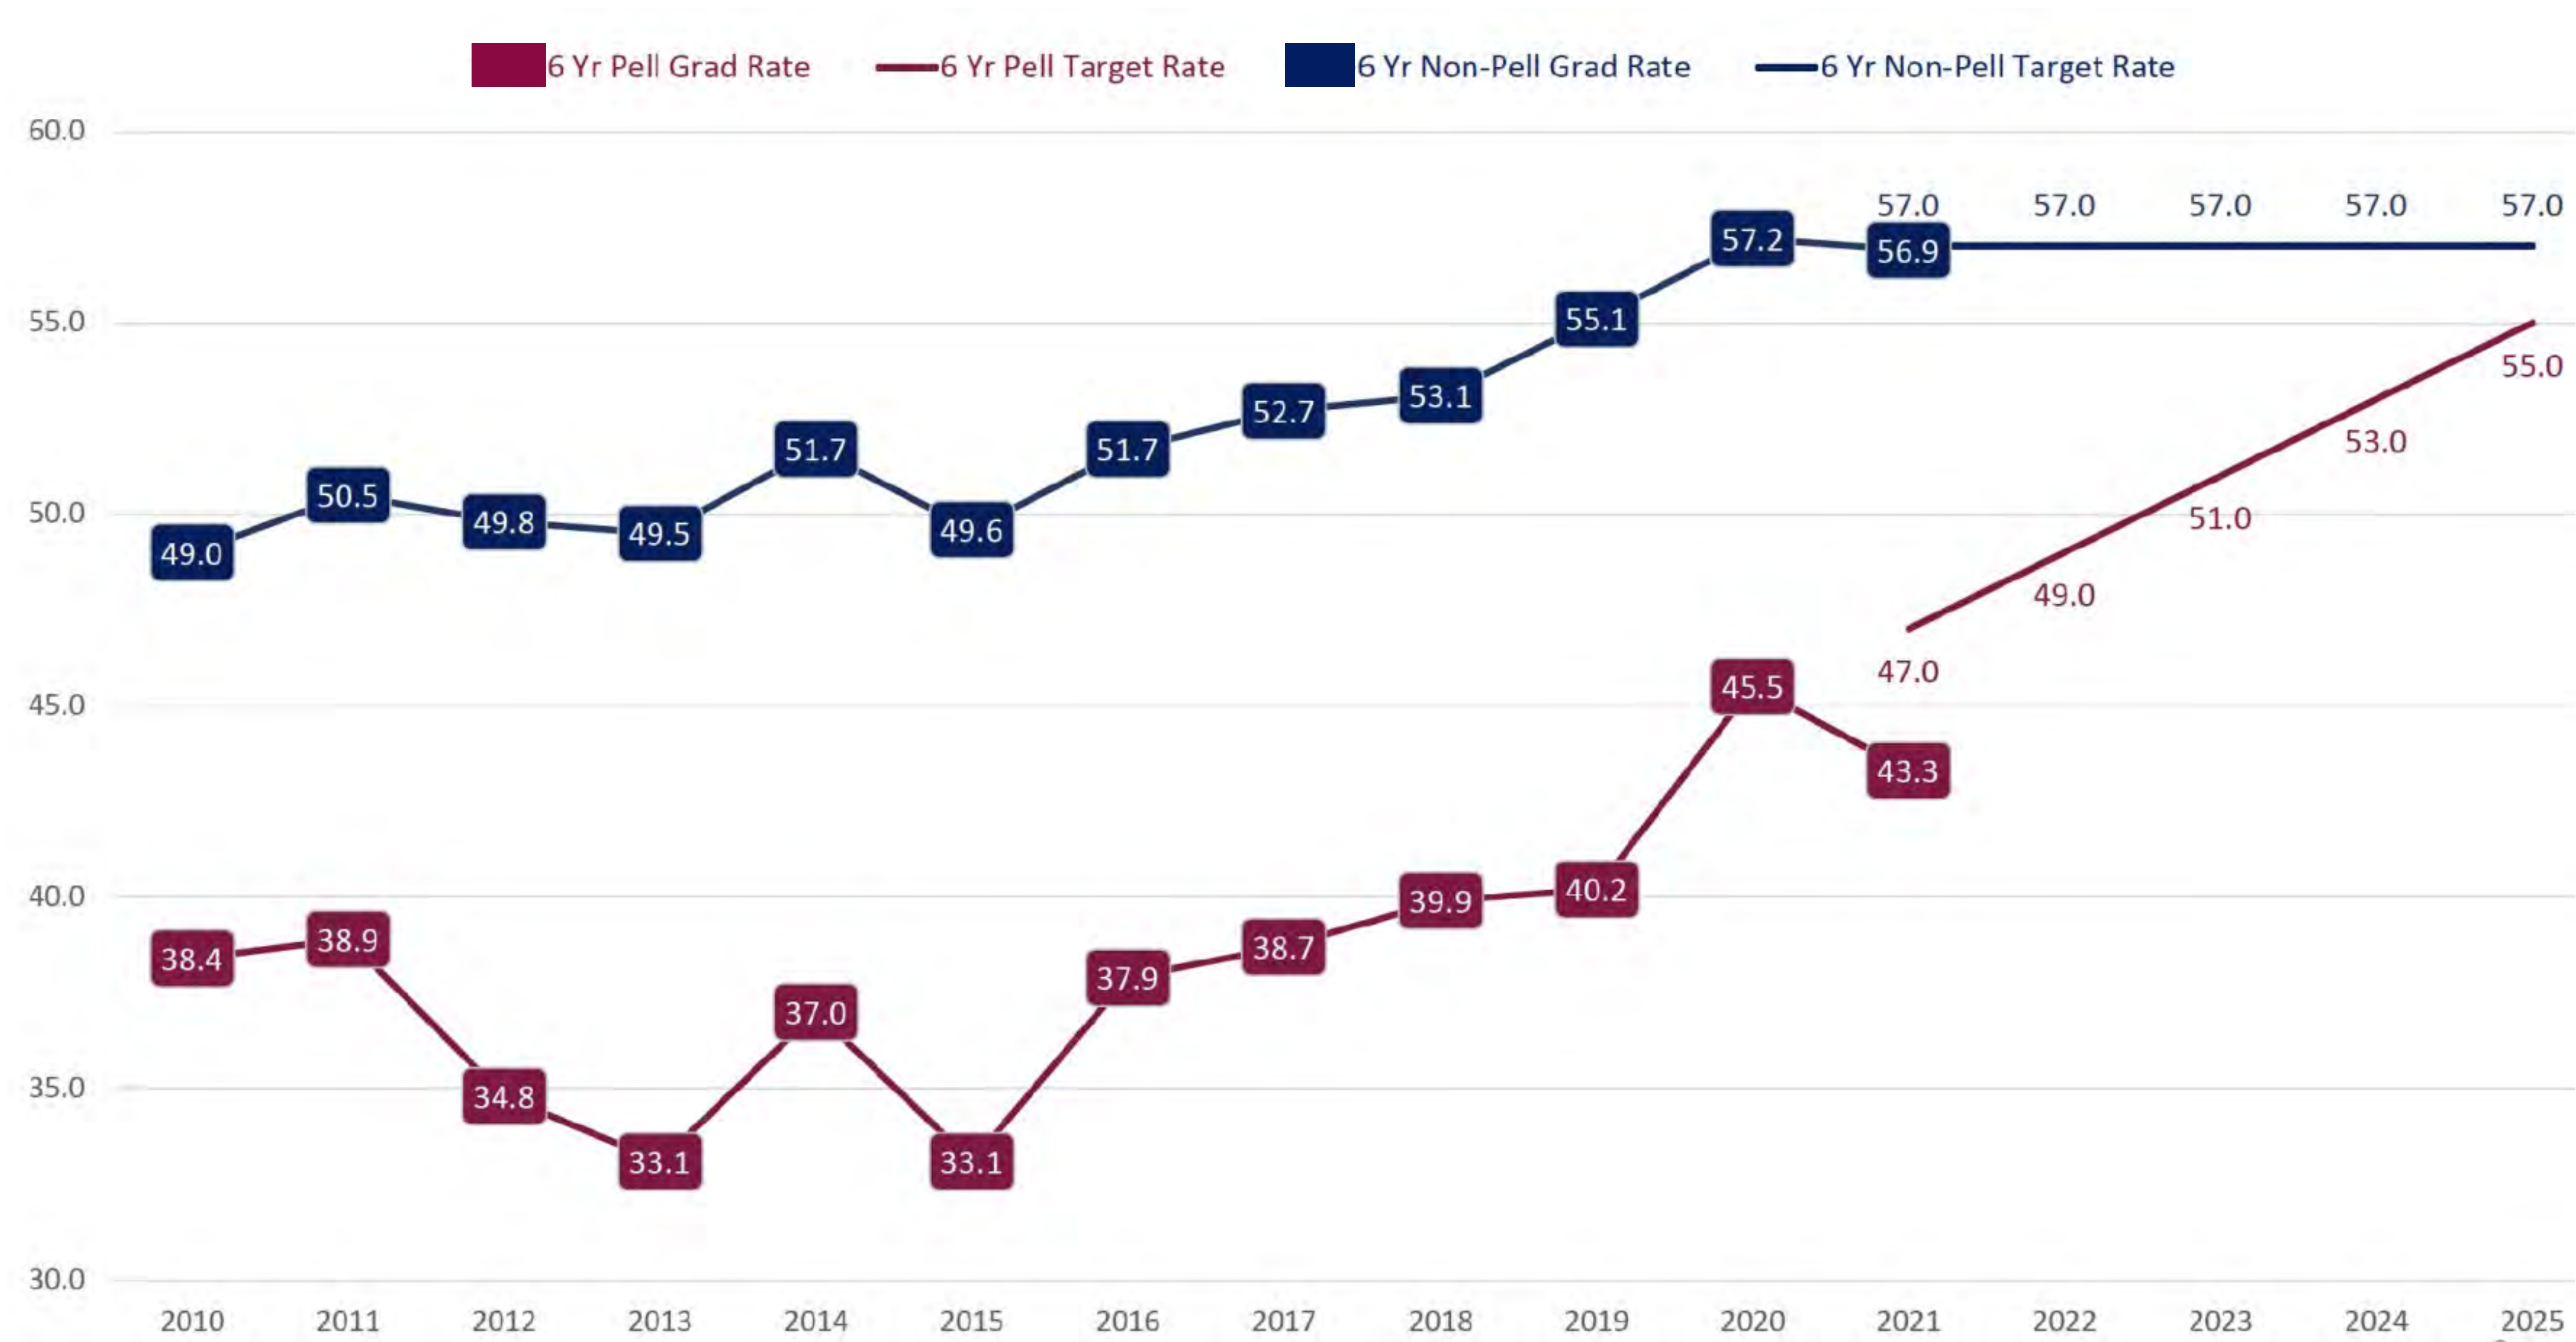

**43% of NMSU students reported experiencing Housing Insecurity**

*Quiz Answer*

**36% of NMSU students reported experiencing Food Insecurity**

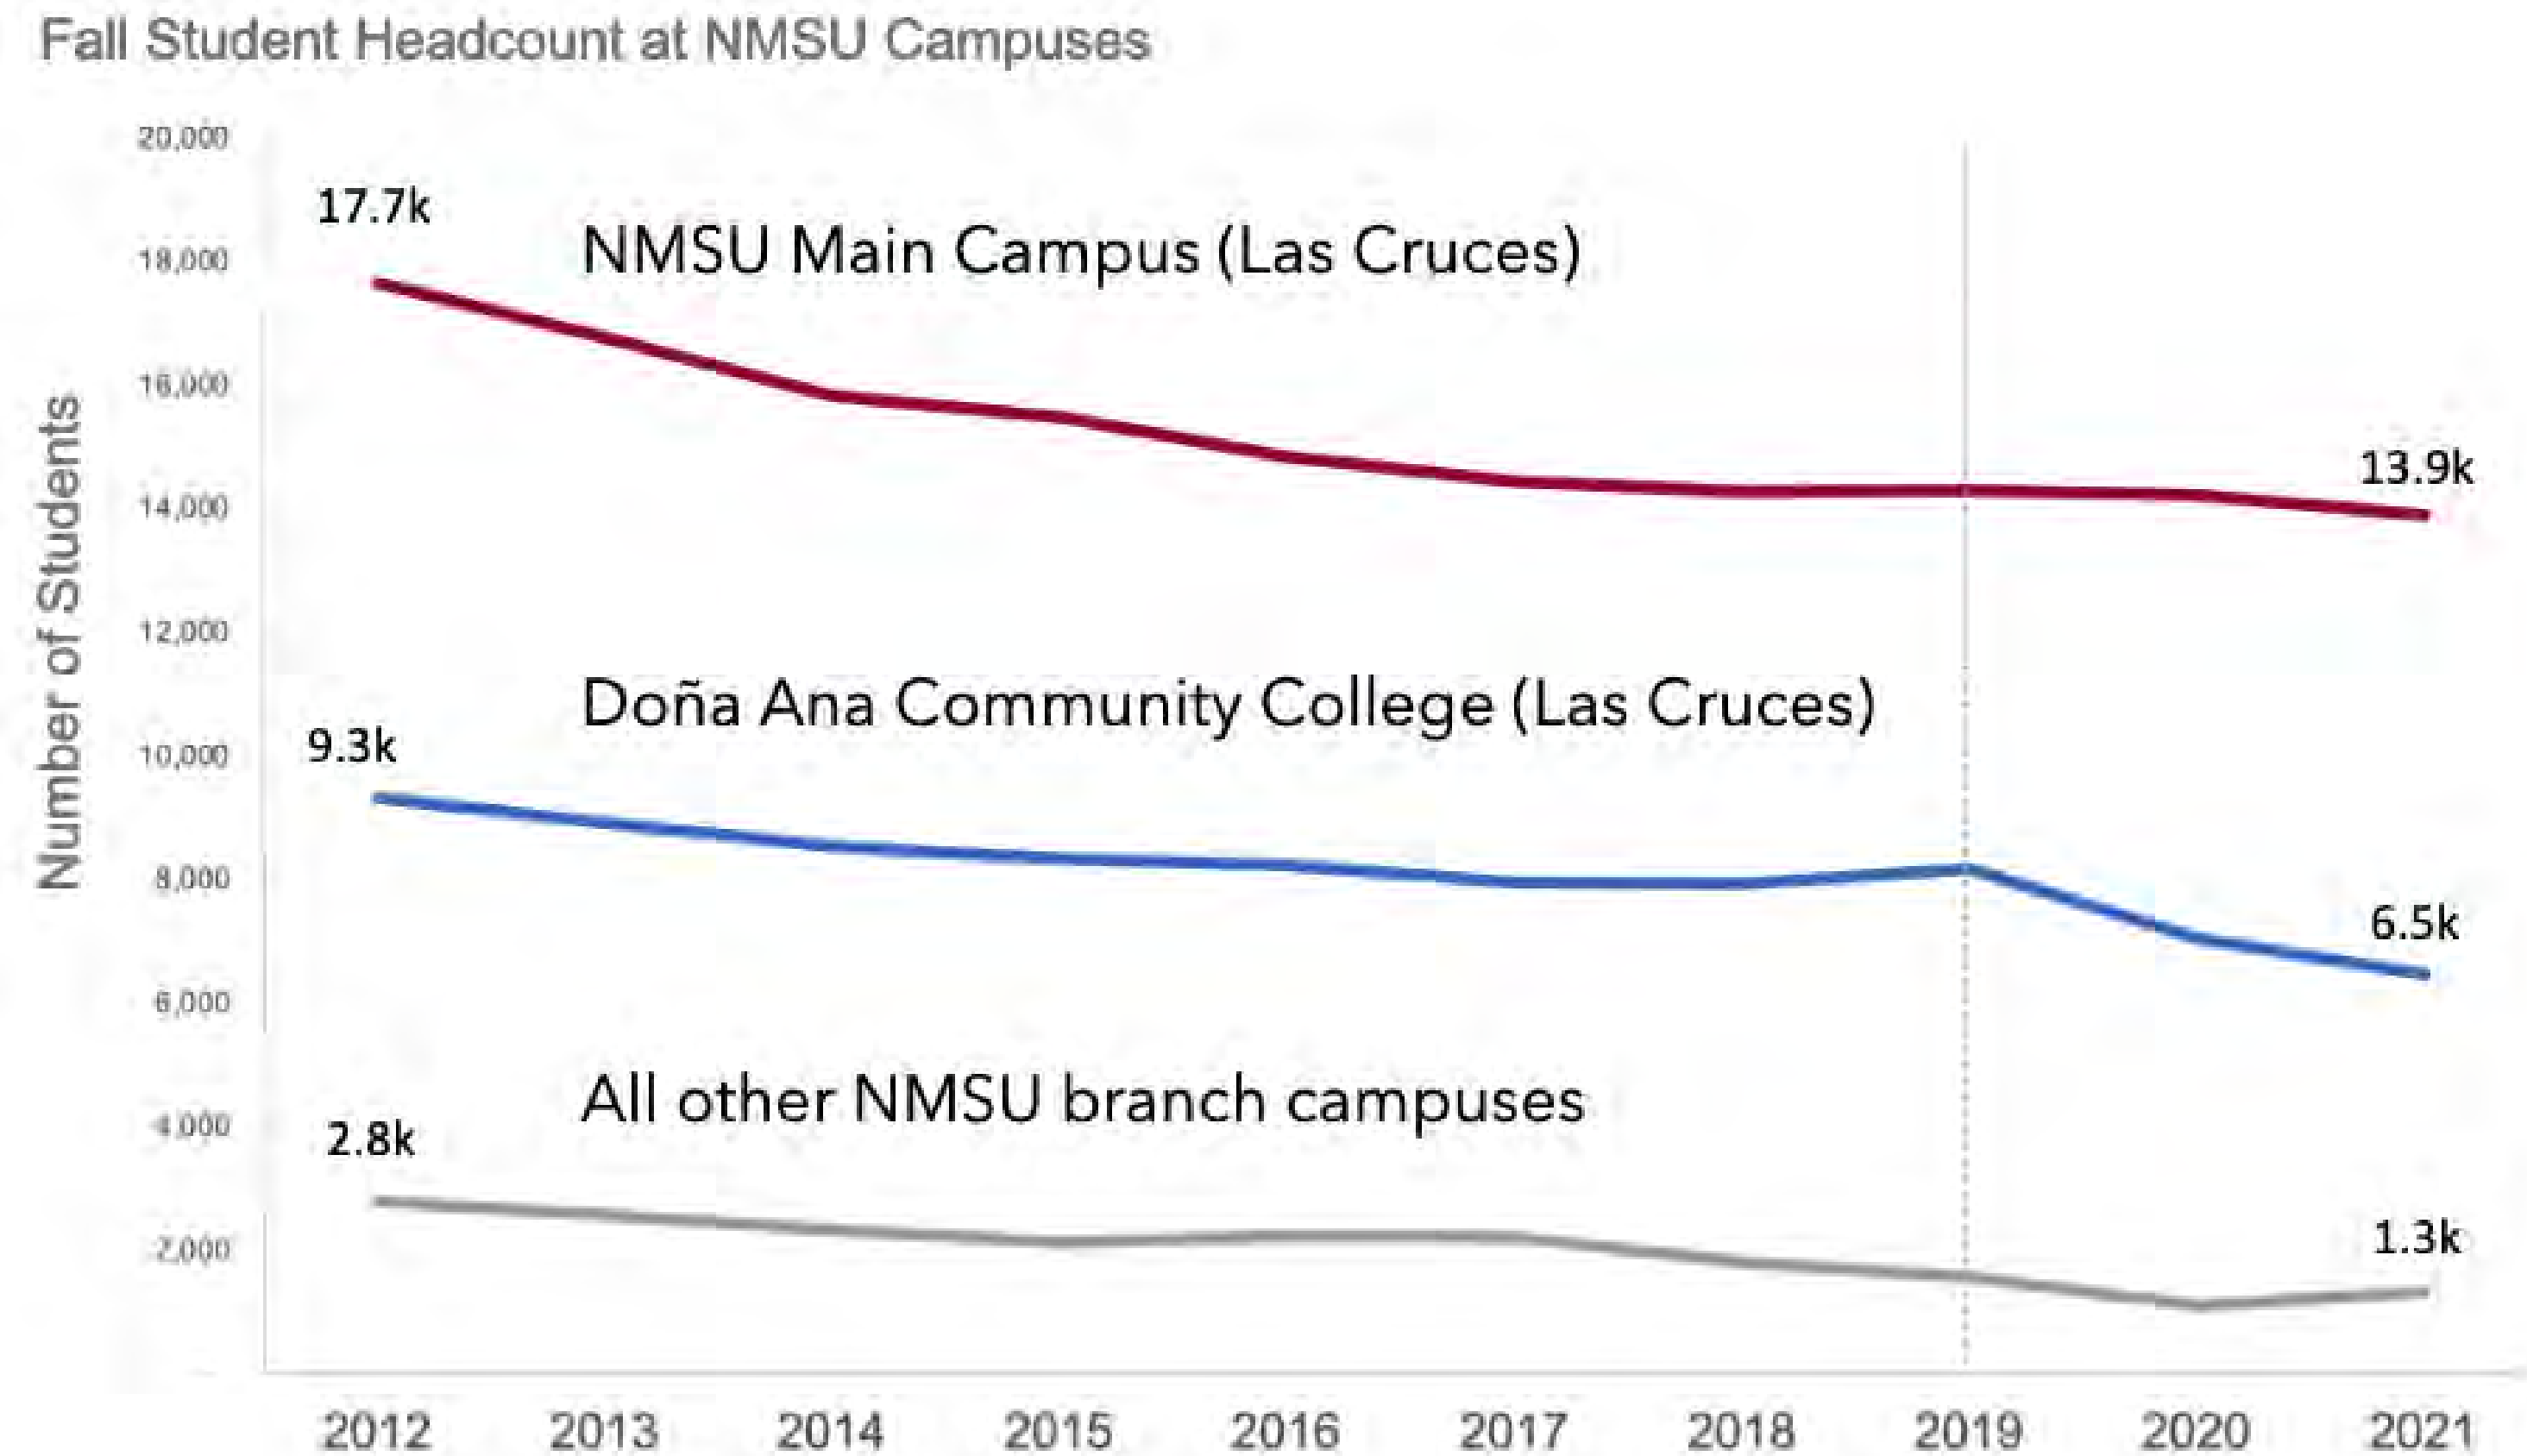

# Closing the Achievement Gap at NMSU, Graduation Rates and Leads 2025 Aspirations

Source: NMSU Office of Institutional Analysis and NMSU LEADS 2025: <https://leads2025.nmsu.edu/goal-1/documents/Goal-1-2022-05182020-12.pdf>

# College Enrollment

Question:  
Why would DACC enrollment decrease more dramatically during the pandemic?

# Reflection and Group Discussion 2A:

## How can we make access to higher education more affordable and equitable?

### Things to consider in your groups:

What barriers still exist for students to succeed in higher education?

What are some of the good things being done that you hope to see developed and continued to promote equitable access in education?

**5 MINUTES**

# Goal 2b:

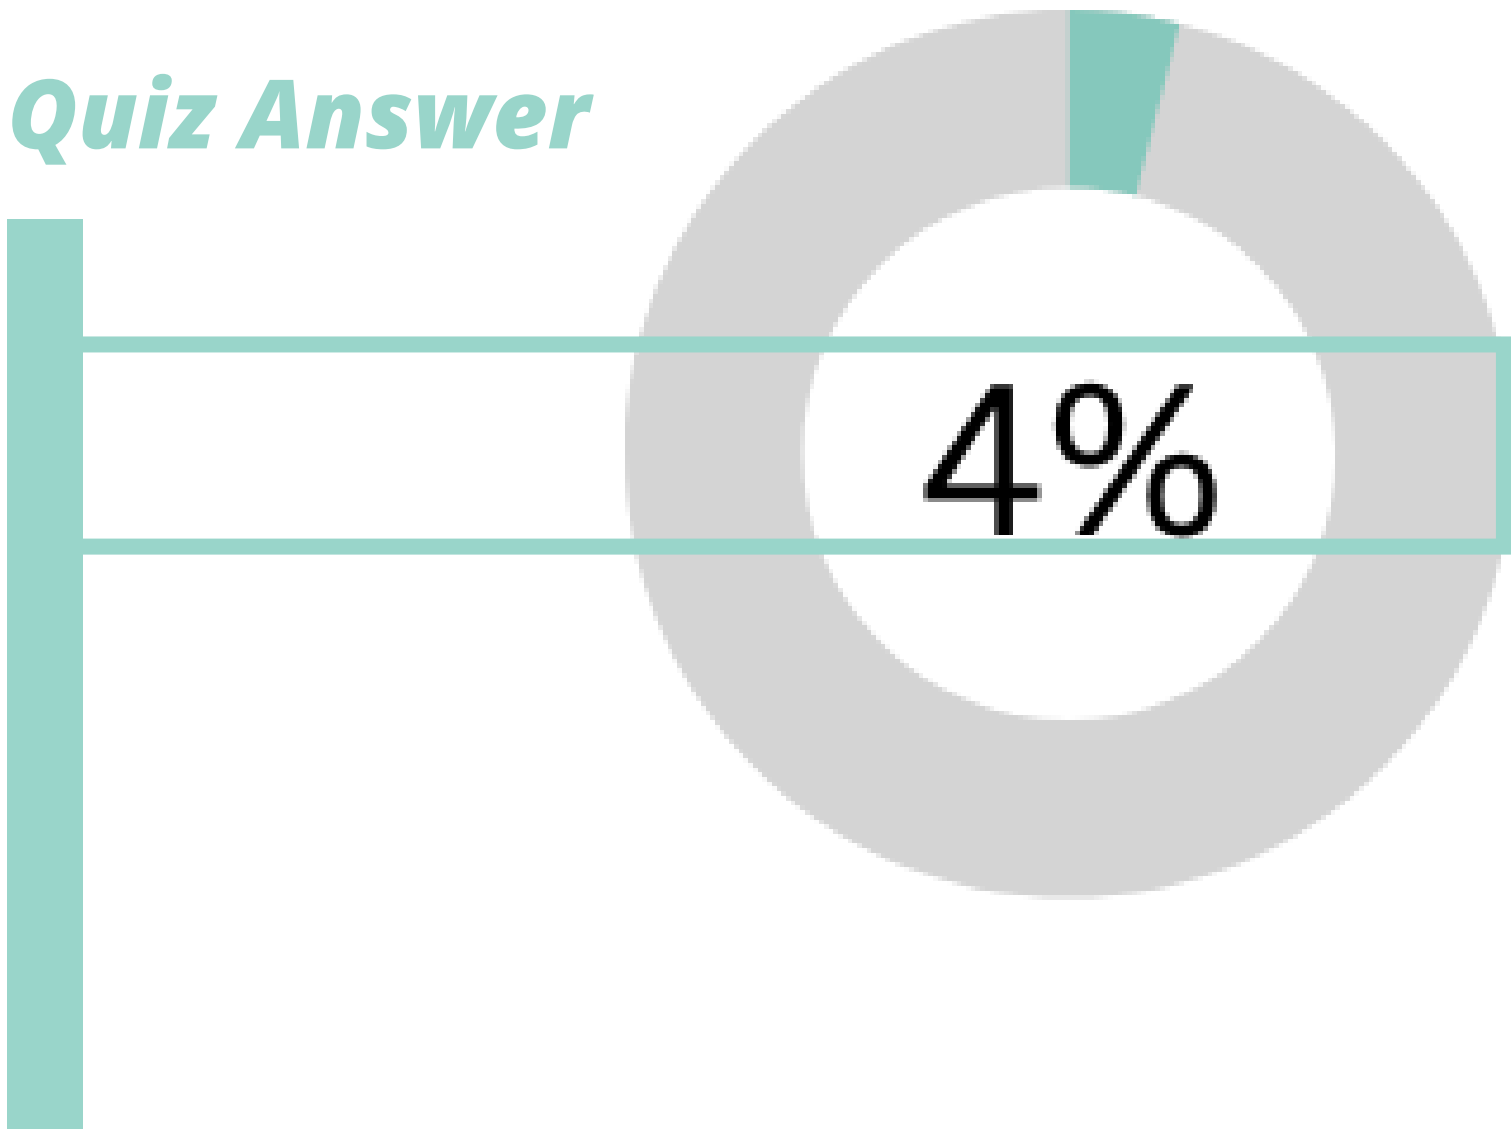

## Equitable Access and Success in Career

# Access to Careers

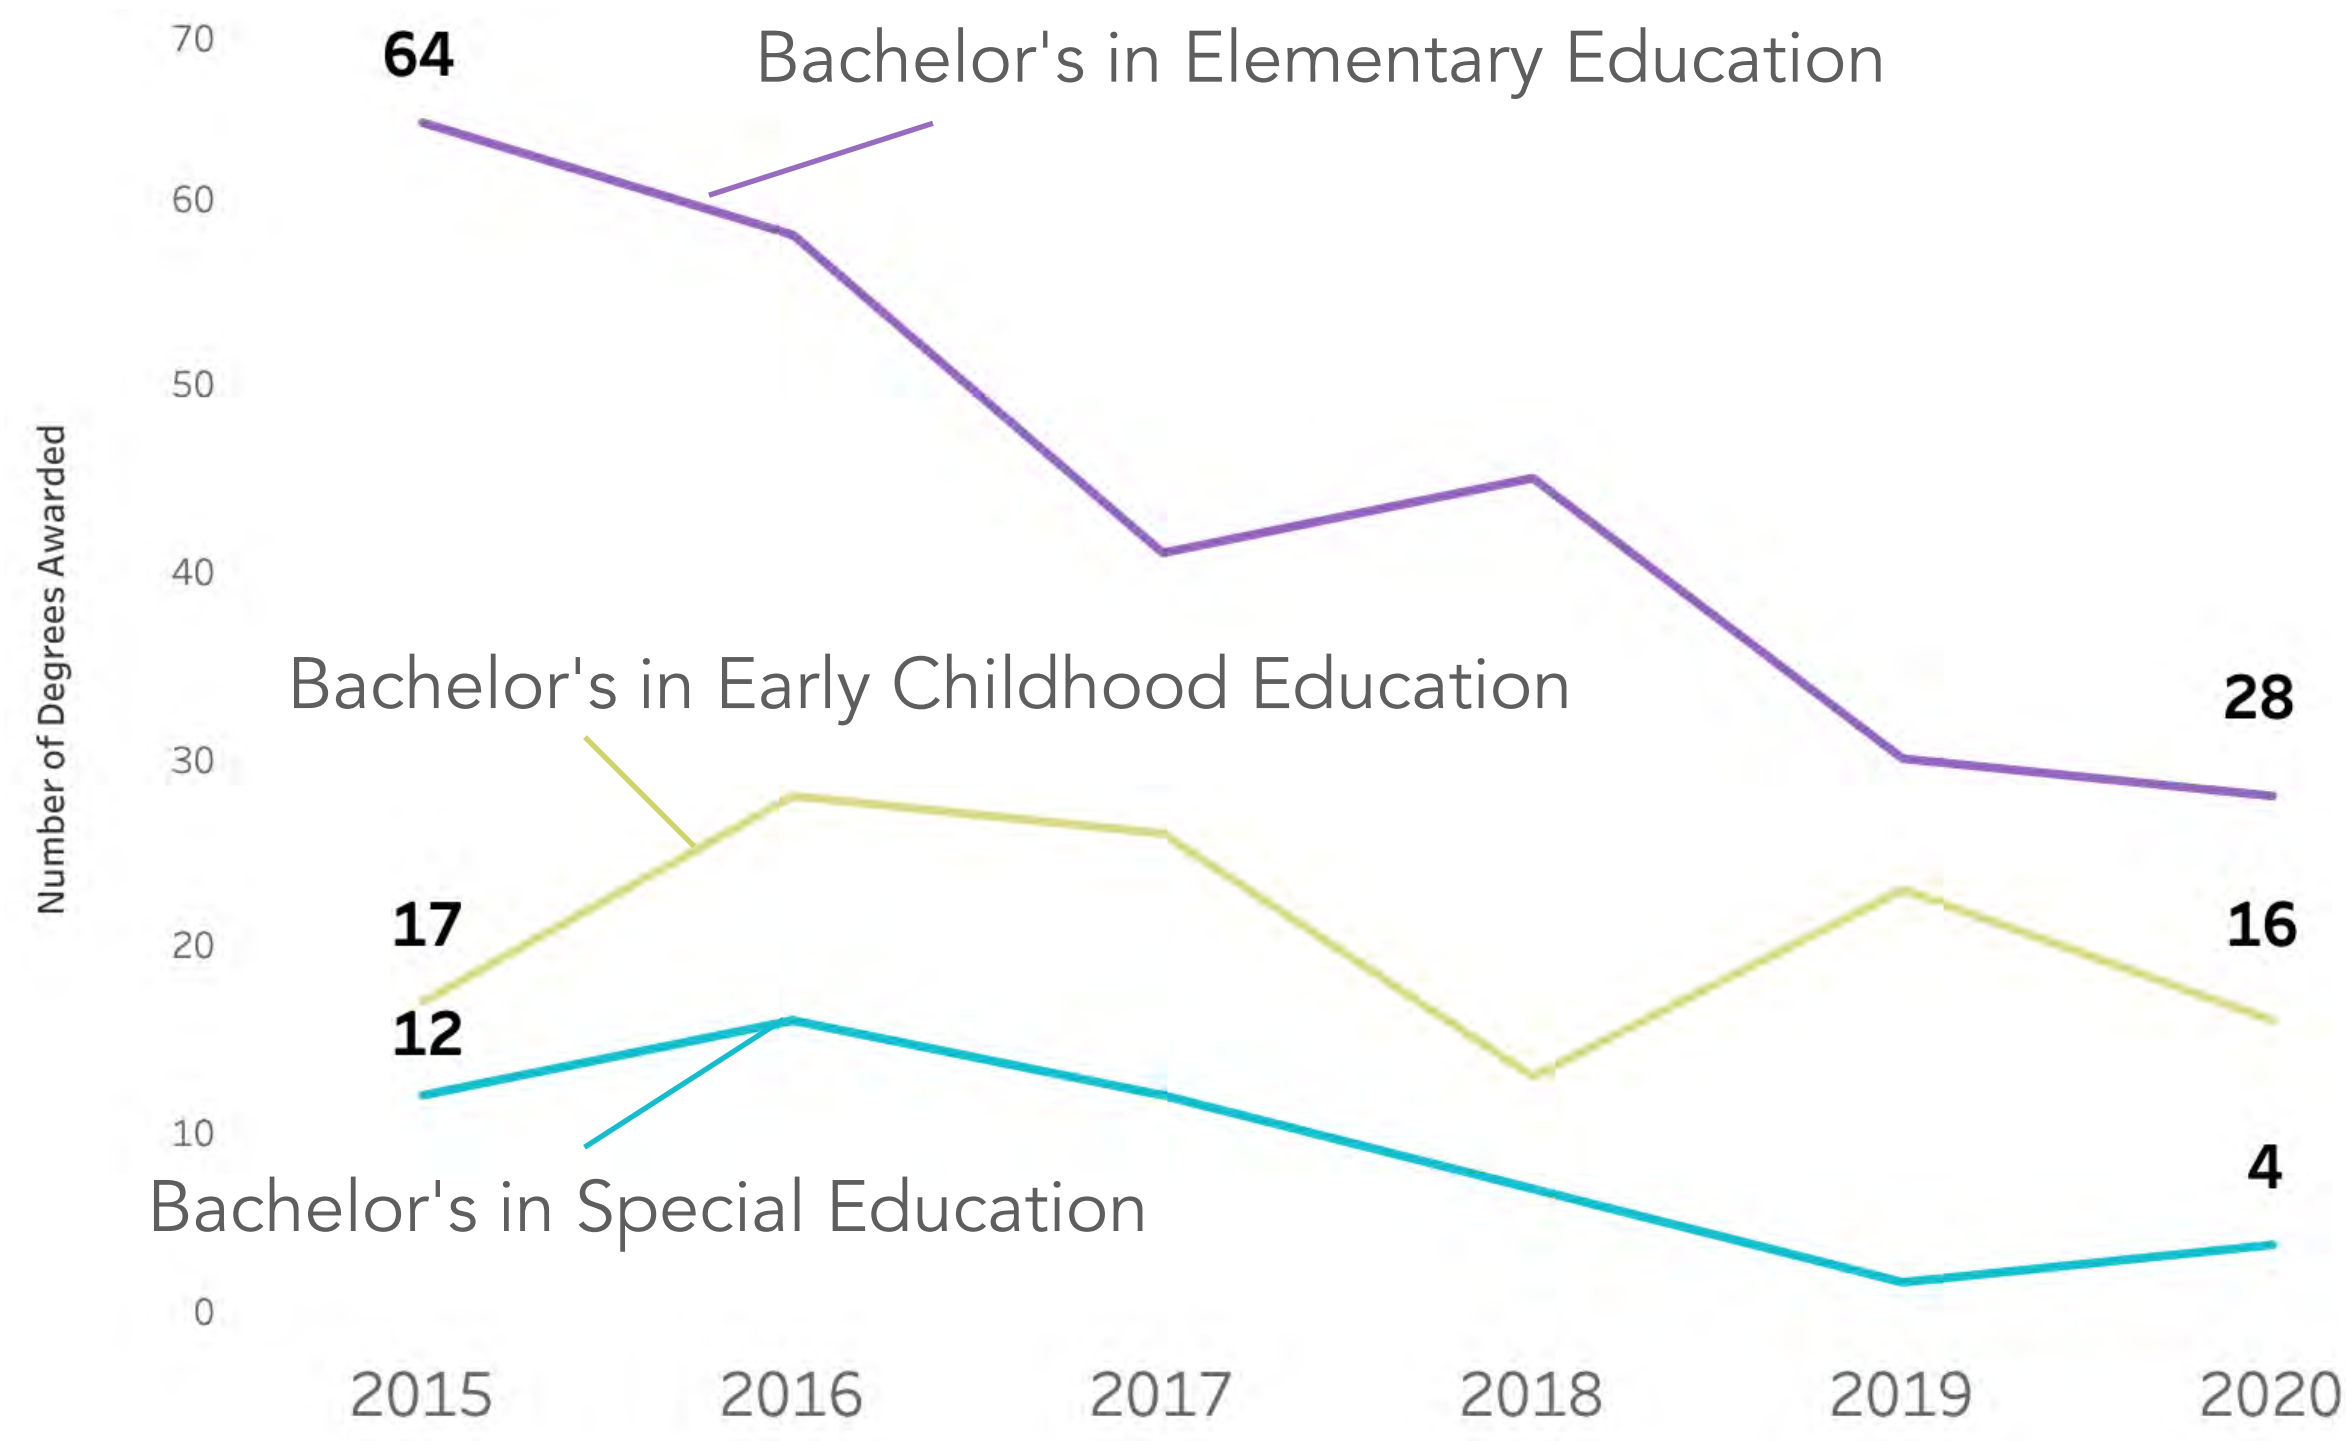

Percentage of New Mexico high school students who participated in courses identified as **work-based learning** in 2019-20:

Source: NM Comprehensive College & Career Pathways Report: [https://lanlfoundation.org/app/wp-content/uploads/2022/03/NM-CCCP-Report-FINAL\\_0.pdf](https://lanlfoundation.org/app/wp-content/uploads/2022/03/NM-CCCP-Report-FINAL_0.pdf)

# Education Degrees Awarded in Doña Ana County: Workforce Matches Local Needs

Number of Education Degrees awarded at NMSU, 2015-2020: (Bachelor's degrees only)

Source: Office of Institutional Analysis, New Mexico State University

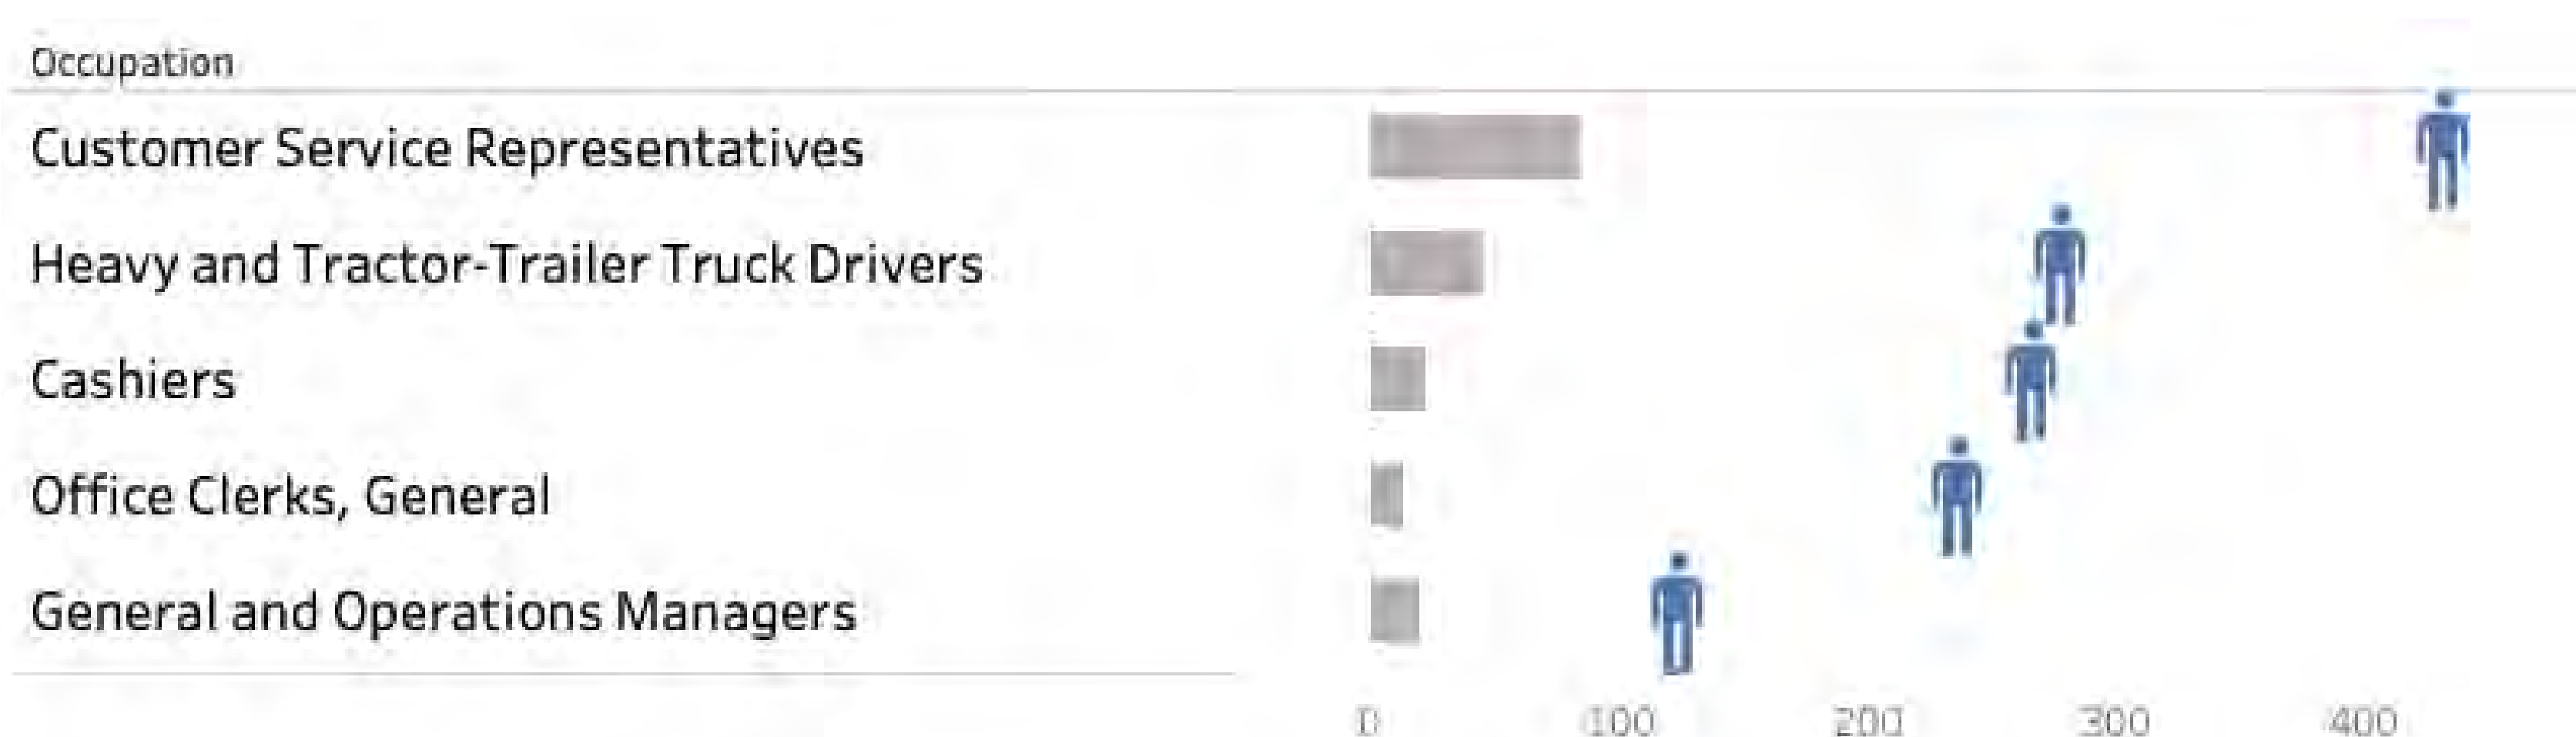

# Workforce Matches Local Needs

## Top 5 Careers **With Job Openings**, Doña Ana County, June 2022

Job Openings  
Potential Candidates

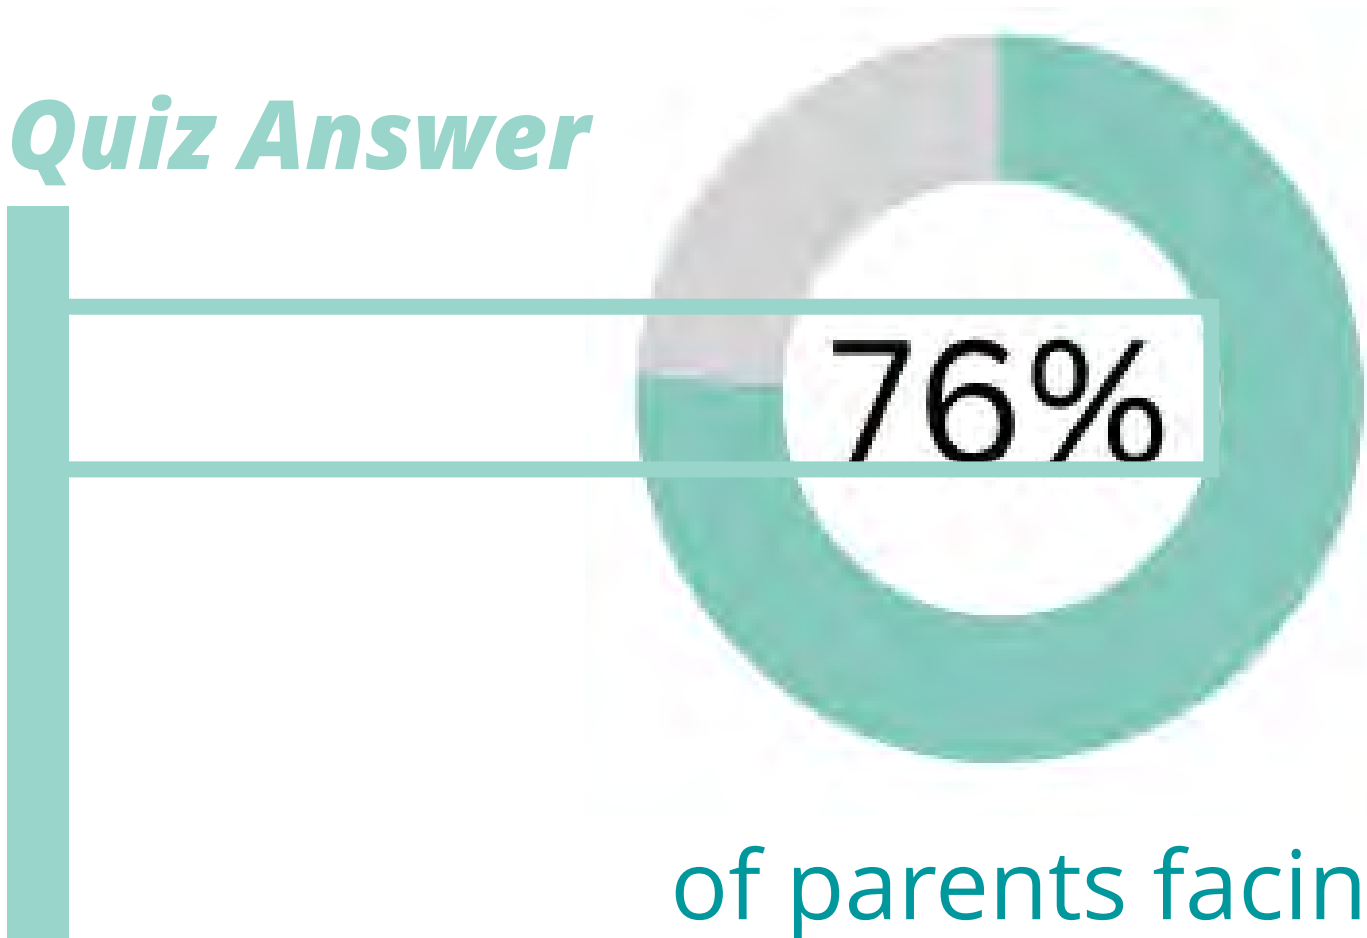

## Top 5 Careers **Sought by Job Candidates**, Doña Ana County, June 2022

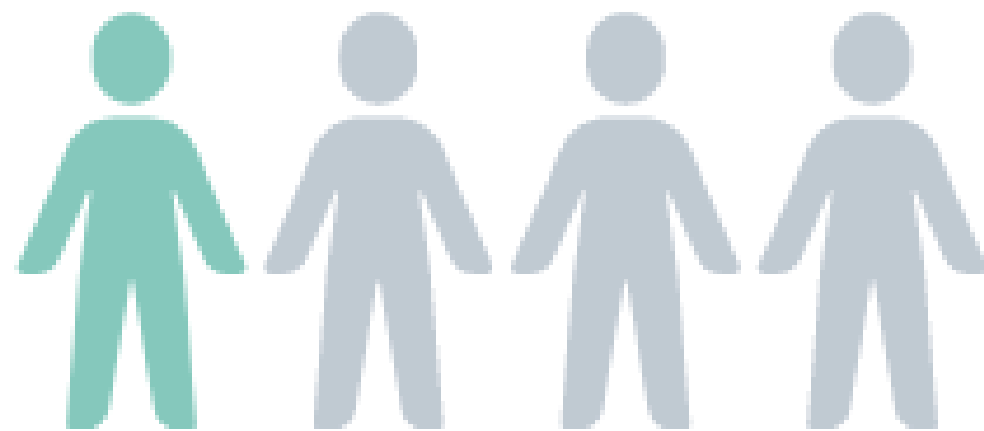

# Worker Supports

Results from the 100% Community Survey in Doña Ana County, 2020

Quiz Answer

of parents facing difficulty getting child care said "it costs too much"

Nearly 1 out of every 4 parents (24%) who had difficulty accessing job training services reported, "**I don't have anyone to watch my child during training.**"

# Reflection and Group Discussion 2B:

## How can we make access to the workforce for equitable in our community?

Things to consider in your groups:

How can we better support working parents?

What does our local workforce need and do our job training/education opportunities match?

**5 MINUTES**

**Thank you for listening and for all  
that you do for students and  
families!**
